

56.8135 Annual report by agency if space reconfigured, use changed, or number of employees occupying space changed for state-owned or leased property.

- (1) Except as provided in subsection (3) of this section, in September of each year, every agency shall report to the Finance and Administration Cabinet concerning any state-owned or leased property if, in the preceding twelve (12) months, the agency has:
 - (a) Reconfigured ten percent (10%) more of the space; or
 - (b) Changed the use of ten percent (10%) or more of the space; or
 - (c) Changed the number of employees occupying the space by ten percent (10%) or more.
- (2) An agency's report shall include:
 - (a) The address of the property;
 - (b)
 1. The percentage of space which the agency reconfigured or changed the use of; or
 2. The percentage change in the number of employees;
 - (c) The factors which prompted the reconfiguration, change in use, or change in number of employees; and
 - (d) Any other relevant information requested by the Finance and Administration Cabinet.
- (3) The provisions of this section shall not apply when the property involved covers less than one thousand (1,000) square feet.
- (4) This section shall expire July 13, 1998.

Effective: July 15, 1994
