 - (d) "Inactive member" means a member who is not participating with the system;
- (2) Any employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System on July 1, 2015, except as limited by subsection (6) of this section, may:

- (5) If an employer has ceased participation in the system as provided by this section:

- participation in the system; and

The day after the employer's effective cessation date, each employee described by this paragraph shall be considered an inactive member with respect to his or her employment with the employer that ceased participation and, subject to the provisions and limitations of KRS 61.510 to 61.705 and 78.510 to 78.852, shall:

 - (b) Only the employers in the County Employees Retirement System who are a nonstock nonprofit corporation organized under KRS Chapter 273 may voluntarily cease participation in the County Employees Retirement System;
- (7) For purposes of this section, the full actuarial cost shall be determined by the Kentucky Retirement Systems' consulting actuary separately for the pension fund and the insurance fund using the assumptions and methodology established by the system specifically for determining the full actuarial cost of ceasing participation as of the employer's effective cessation date. For purposes of determining the full actuarial cost, the assumed rate of return used to calculate the cost shall be the lesser of the assumed rate of return utilized in the system's most recent actuarial valuation or the yield on a thirty (30) year United States treasury bond as of the employer's effective cessation date, but shall in no case be lower than the assumed rate of return utilized in the system's most recent actuarial valuation minus three and one-half percent

(3.5%);
