

183.085 Unmanned aircraft facility map for commercial airport.

- (1) A commercial airport may prepare an unmanned aircraft facility map. In preparing the map, a commercial airport shall consult with the Federal Aviation Administration air traffic control tower at the airport,
- (2) Any unmanned aircraft facility map developed by a commercial airport shall be filed with the secretary of the airport board and shall be prominently displayed on the airport's Web site.
- (3) An unmanned aircraft facility map shall not extend beyond the approach surface areas specifically described in 14 C.F.R. sec. 77.19(d), and as published in the official airport master plan record.
- (4) If the Federal Aviation Administration creates and makes available a map for the commercial airport that restricts the areas where it is unsafe to operate an unmanned aircraft in the areas described in 14 C.F.R. sec. 77.19(d), that map shall be the unmanned aircraft facility map of the commercial airport.

Effective: June 29, 2017

History: Created 2017 Ky. Acts ch. 153, sec. 1, effective June 29, 2017.
