Legislative Research Commission Note (7/15/2016). 2016 Ky. Acts ch. 82, sec. 35 directed that a new section of KRS Chapter 141 be created for the text of this statute. The subject matter of KRS Chapter 141 relates to income taxes. Since this statute authorizes the Department of Revenue to publish forms and instructions relating to all types of taxes, not just forms and instructions relating to income taxes, in codification the Reviser of Statutes created a new section of KRS Chapter 131, which addresses the duties of the Department of Revenue and taxes in general, as a more appropriate statutory designation under the authority of KRS 7.136(1)(a).
