

224A.312 Incentive program encouraging infrastructure projects that provide and improve water service to needy areas -- Funding priorities.

- (1) The authority shall develop an incentive program that allocates funds from the 2020 water service account to encourage new infrastructure projects to provide service to unserved areas and improve service to underserved areas of the state. The incentives may be used by government owned and private systems.
- (2) The incentives shall be developed to give the highest funding priority to those projects that have been identified in a 2020 water management planning council plan prioritized under KRS 151.607 and meet the funding priorities established by the authority.
