

235.090 County clerk's entry of information into automated vehicle information system -- Report, application and fees to Transportation Cabinet.

- (1) The county clerk shall enter information relating to the registration and titling of boats into the automated vehicle information system. This information shall include the name and address of those persons who have applied for title and registration of motorboats, the length and type of the motorboat, and the title and registration fee charged, and the amount of title and registration fee collected from the applicant. The applications for title and registration and the fees collected by the clerk shall be forwarded to the Transportation Cabinet.
- (2) The county clerk shall submit a weekly report of all transactions involving boat titling and registration transactions to the Transportation Cabinet.

Effective: July 13, 1990
