

211.9079 Public education and awareness campaign.

The department may, within budget limitations, conduct a public education and awareness campaign on the nature and consequences of lead hazards and on the need for lead-hazard detection and abatement procedures to be conducted under careful supervision and by certified personnel in order to assure public safety.

Effective: July 15, 1996

History: Created 1996 Ky. Acts ch. 168, sec. 8, effective July 15, 1996.
