

224.46-550 Fees for registration certificates and permits.

The cabinet shall promulgate regulations requiring, in connection with the application, review and issuance of generator registration certificates showing compliance with KRS 224.46-510 or hazardous waste permits issued pursuant to KRS 224.46-520, the payment of a reasonable fee. The fee shall be reasonably related to the administrative cost of verifying data submitted pursuant to obtaining the certificates or permits and making reasonable inspections necessary for processing such applications.

Effective: July 15, 1980

History: Created 1980 Ky. Acts ch. 264, sec. 6, effective July 15, 1980.

Formerly codified as KRS 224.871.
