

355.9-326 Priority of security interests created by new debtor.

- (1) Subject to subsection (2) of this section, a security interest that is created by a new debtor in collateral in which the new debtor has or acquires rights and perfected by a filed financing statement that would be ineffective to perfect the security interest but for the application of KRS 355.9-508, or KRS 355.9-316(9)(a) and 355.9-508, is subordinate to a security interest in the same collateral which is perfected other than by a filed financing statement that is effective solely under KRS 355.9-508.
- (2) The other provisions of this part of this article determine the priority among conflicting security interests in the same collateral perfected by filed financing statements described in subsection (1) of this section. However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

Effective: July 1, 2013

History: Amended 2012 Ky. Acts ch. 132, sec. 74, effective July 1, 2013. -- Created 2000 Ky. Acts ch. 408, sec. 66, effective July 1, 2001.

Legislative Research Commission Note (3/14/2013). 2013 Ky. Acts ch. 10, secs. 2 and 3 provide that the statutes in Article 9 of the Uniform Commercial Code that were amended or created in 2012 Ky. Acts ch. 132, secs. 60 to 99, are effective July 1, 2013. This statute was one of those sections. Since only the effective date of a prior Act was altered, and not the text of the affected statutes, reference to 2013 Ky. Acts ch. 10 does not appear in the history for this statute.

Legislative Research Commission Note (7/12/2012). In 2010, the National Conference of Commissioners on Uniform State Laws and the American Law Institute proposed a Uniform Act for adoption by the states that contained revisions to Article 9 of the Uniform Commercial Code. The effective date for all proposed Article 9 revisions was to be July 1, 2013. Those revisions were enacted in 2012 Ky. Acts Chapter 132, Sections 60 to 99. Sections 60 to 90 contained the substantive Article 9 revisions, and Sections 91 to 99 contained the transitional Article 9 revisions created to handle secured transactions made prior to July 1, 2013. Section 91 of that Act (codified as KRS 355.9-801) and Section 102 of that Act (a noncodified effective date provision) both stated, "Sections 91 to 99 of this Act take effect July 1, 2013." The normal effective date for legislation enacted at the 2012 Regular Session of the General Assembly is July 12, 2012. In Opinion of the Attorney General 12-010, issued July 3, 2012, Section 91 (codified as KRS 355.9-801) was determined to have contained a manifest clerical error, and should have instead read, "Sections 60 to 90 of this Act take effect July 1, 2013," thereby making the substantive Article 9 revisions effective on the same date as the transitional Article 9 provisions in conformity with the 2010 Uniform Act proposal and 2012 Ky. Acts Chapter 132, Section 102. This statute was one of the substantive provisions of Article 9 contained in 2012 Ky. Acts Chapter 132, Sections 60 to 90.
