

148.660 Proposals for additions to system.

The commissioner shall study and from time to time submit to the Governor and the General Assembly proposals for additions to the state scenic trails system and recreation trails that have been designated by the department, regarding rights-of-way that have been established and on the program for implementing KRS 148.610 to 148.780. Each proposal shall include a short statement on the significance of the various trails to the system.

Effective: July 15, 1998

History: Amended 1998 Ky. Acts ch. 373, sec. 1, effective July 15, 1998. -- Created 1974 Ky. Acts ch. 288, sec. 7.
