

**15.585 Reciprocal agreements to provide telephone cardiopulmonary resuscitation.**

- (1) A PSAP as defined by KRS 65.750 or an agency receiving or dispatching emergency medical service calls may enter into a reciprocal agreement with another PSAP, dedicated phone line, or call center to provide telephone cardiopulmonary resuscitation (T-CPR) utilizing nationally recognized emergency cardiovascular care guidelines, provided that the PSAP or other agency that accepts the call has telecommunicators trained in T-CPR in accordance with KRS 15.550(2) or (3).
- (2) Any employee of a PSAP that answers calls for emergency medical conditions shall, in the appropriate circumstances, provide telephonic assistance in administering CPR directly or transfer calls to a dedicated phone line, call center, or other PSAP with which the transferring PSAP has a reciprocal agreement.

**Effective:** July 14, 2018

**History:** Created 2018 Ky. Acts ch. 65, sec. 2, effective July 14, 2018.
