

202A.0821 Appointment of outpatient provider agency.

If the court orders assisted outpatient mental health treatment pursuant to KRS 202A.0819, the court shall appoint an outpatient provider agency recognized by the cabinet which shall assemble a multidisciplinary team. The multidisciplinary team shall regularly monitor the person's adherence to the conditions of the order and regularly report this information to the court that ordered the person's release. Reports may be provided in written format, in person, or via electronic means, at the court's discretion.

Effective: June 29, 2017

History: Created 2017 Ky. Acts ch. 154, sec. 8, effective June 29, 2017.
