 - (b) Whether there is substantiating documentation to demonstrate that the project places an unjustified competitive disadvantage on existing business in the area;
 - (c) Whether there is substantiating documentation to demonstrate that normal commercial financing is unavailable for this project or, if available, at what rates it must be secured and under what terms and conditions;

Any person may attend the hearing and may personally, or through counsel, address the committee with regard to the project and make recommendations to the committee thereon. Notice shall be given to the agency or unit of government proposing to issue the bonds and the developers of the project not less than forty-five (45) days before the date the committee has set for the hearing on the project. The agency or unit of government proposing the issuance of the bonds shall publish notice of the hearing in the manner required by KRS Chapter 424. The agency or unit of government proposing the issuance of the bonds shall require the developer of the project (if it is other than the agency or unit of government) to reimburse the agency or unit of

government for the cost of the advertising required herein. A hearing officer may conduct the hearing with a proposed order to the committee or the state local debt officer.

- (5) The committee and the state local debt officer shall have the right to approve or disapprove any project submitted to it, and over which it has jurisdiction as described in subsection (1) of this section, and no bonds or other evidence of indebtedness for any such project shall be issued until the project has been approved by the committee.
- (6) When the revenues of the respective local government or school district are negatively impacted by the project, the committee and the state local debt officer shall require submission of a written statement of assurance that the appropriate county judge/executive, mayor, and school superintendent are in agreement with the negotiated financial arrangement. This written statement of assurance shall be used for advisory purposes.
