> **Legislative Research Commission Note** (7/14/2022). This statute was amended by 2022 Ky. Acts chs. 215 and 236. Ch. 236 combined the Education and Workforce Development Cabinet and Labor Cabinet and amended all applicable statutes to remove each and every existing reference to either of those cabinets and insert the name of the successor agency, "Education and Labor Cabinet," in its place. One such replacement was made in this section, but the amendment of this section in ch. 215 removed the cabinet reference in its entirety, making the name update unnecessary.
