

333.110 Permit required for school for medical laboratory personnel.

No person shall construct, acquire, maintain or operate a school for training medical laboratory personnel and/or medical laboratory trainees in this state unless approval has first been obtained from the cabinet. Approval shall be contingent upon presentation of satisfactory evidence that the curriculum, personnel and equipment of such school is adequate to provide quality training in medical laboratory techniques.

History: Created 1968 Ky. Acts ch. 180, sec. 10.
