26.1-01-03. Duties of commissioner.

The commissioner shall:

1. See that all the laws of this state respecting insurance companies and benevolent societies are executed faithfully.

3. File the articles of incorporation of all insurance companies organized or doing business in this state, and on application furnish a certified copy thereof.
4. Furnish the insurance companies required to make reports to the commissioner and the benevolent societies the necessary blank forms for required statements and reports. The commissioner is not required to send blank forms to those insurance companies which submit their reports on printed forms conforming to those furnished by the commissioner.
5. Preserve in permanent form a full record of the commissioner's proceedings and a concise statement of each company or agency visited or examined.
6. Furnish at the request of any person, upon the payment of the required fee, certified copies of any record or paper in the commissioner's office, if the commissioner deems it not prejudicial to the public interests to do so, and give such other certificates as may be provided by law.
7. Submit a biennial report as prescribed by section 54-06-04 to the governor and the secretary of state. In addition to the requirements of section 54-06-04, the report must contain an abstract only of the reports of the various insurance companies doing business in this state showing the condition of the companies.
8. Upon request, send a copy of the commissioner's annual report to the insurance commissioner, or other similar officer, of every other state and to each company doing business in this state.

26.1-01-03.1. Cease and desist authority - Hearing - Failure to appear.

The commissioner may issue an order to cease and desist and notice of opportunity for hearing when it appears that any person is engaged in an act or practice which violates or may lead to a violation of this title. Any party aggrieved by the commissioner's order may make written application for a hearing on the order within thirty days of the date of the order. The

application for a hearing must briefly state the respects in which the applicant is aggrieved by the order and the grounds for relief to be relied upon at the hearing. A hearing must be held not later than ten days after an application for hearing is received unless a delay is requested by all persons named in the order. The commissioner, within thirty days after the hearing, shall issue an order vacating the cease and desist order or making the cease and desist order permanent, as the facts require. The failure of any named person to appear at any proper hearing under this section after receiving notice of the hearing will cause that person to be in default and the allegations contained in the cease and desist order may be deemed to be true and may be used against the person at the hearing. If no hearing is requested by written application, the commissioner's order becomes permanent.

26.1-01-03.2. Injunctive authority.
