3. The department shall determine, in accordance with rules of the department, whether a license may be issued to a facility that houses or employs any individual who has a criminal record.

50-11-02.1. Conviction not bar to licensure - Exceptions.

Conviction of an offense does not disqualify a person from licensure under this chapter unless the department determines that the offense has a direct bearing upon that person's ability to serve the public as the operator of a facility or that, following conviction of any offense, the person is not sufficiently rehabilitated under section 12.1-33-02.1.

50-11-02.2. Provisional license.

At the discretion of the department, a provisional license may be issued to an applicant who, or whose facility, fails to conform in all respects to this chapter and the rules of the department. The department may set conditions under which a provisional license may be issued, and may issue such a license for any period of time, not to exceed two years, as the department may deem reasonable or appropriate to the circumstances of the case. The department may not be compelled to issue a provisional license.

50-11-02.3. Moratorium on expansion of residential child care facility or group home bed capacity.

Notwithstanding sections 50-11-02 and 50-11-09, unless a needs assessment conducted by the department indicates a need for the licensing of additional bed capacity, the department may not issue a license under this chapter for any additional bed capacity for a residential child care facility or a group home above the state's gross number of beds licensed as of June 30, 2003.

 - b. Is on active United States military duty or has resided continuously in this state since receiving an honorable discharge; or
 - c. Is excused from providing fingerprints under rules adopted by the department.

On or before October 1, 1982, and annually thereafter, the department of human services shall attempt to reduce the number of children receiving assistance under title IV-E of the Social Security Act, who have been in foster care for more than twenty-four months, by the following amounts:

1. For the year beginning October 1, 1982, one percent of the number of children, in foster care for more than twenty-four months, and receiving benefits under title IV-A of the Social Security Act from July 1, 1979, through June 30, 1980;
2. For the years beginning October 1, 1983, and ending September 30, 1990, one percent of the maximum number permitted in the previous year; and
3. For all subsequent years, one-half percent of the maximum number permitted in the previous year.

50-11-03.2. Use of public funds.

Public funds for the purchase of foster care for children or adults may be used only in facilities licensed or approved by the department. No person acting on behalf of any state, county, or local governmental entity may arrange for or promote care provided in a facility that does not have a license or approval issued by the department. This section does not apply to any home or institution under the management and control of the state.

50-11-03.3. Department to provide liability coverage.

1. The department shall provide liability coverage for acts or omissions of foster children placed in the care of foster families. The department may provide this liability coverage through self-insurance.
2. The liability coverage under this section:
 - a. Must provide coverage for damage to property which is caused by the act of a foster child. This coverage must be for the lesser of the reasonable cost to repair or to replace the damaged property.
 - b. Is secondary to any other coverage.
 - c. May not exceed five thousand dollars per claim, with an annual maximum of ten thousand dollars per year per claimant. The coverage under this subsection must include a deductible not to exceed one hundred dollars per claim.
3. The department may provide for exclusions from liability coverage provided under this section.

50-11-04. Inspection by the department - Inspection and report by the department or its authorized agent.

The department and its authorized agents at any time may inspect any facility licensed under the provisions of this chapter or with respect to which a license application has been made. The department and its authorized agents shall have full and free access to every part of the facility. The department may require, on a case-by-case basis, prior to or after licensure, that a facility undergo a fire inspection, inspection of the heating system or the electrical system, or any other type of inspection that the department deems necessary to carry out the purposes of this chapter. All records of the facility must be open for the inspection of the department or its authorized agents and they may see and interview all children and adults cared for therein. Upon the request of the department, the department or its authorized agent shall inspect any facility for which a license is applied or issued, and shall report the results of the inspection to the department.

50-11-04.1. Notice.

After each inspection or reinspection, the department shall mail or deliver any correction order or notice of noncompliance to the facility.

50-11-04.2. Correction order - Contents.

Whenever the department determines that the facility is not in compliance with this chapter, or the rules adopted thereunder, a notice of license denial or revocation or a correction order must be issued to the facility. A correction order must cite the statute or rule violated, state the factual basis of the violation, specify the time allowed for correction, and specify the amount of any fiscal sanction to be assessed if the correction order is not complied with in a timely fashion. A correction order may also state a suggested method of correction or require the submission of

a corrective action plan by the facility. If a correction order requires the submission of a corrective action plan, it must also specify a date by which the corrective action plan must be submitted. The department shall, by rule, establish a schedule of allowable times for correction of deficiencies.

50-11-04.3. Reinspections.

A facility issued a correction order under section 50-11-04.2 must be inspected at the end of the period allowed for correction. If, upon inspection, it is determined that the facility has not corrected a violation identified in the correction order, a notice of noncompliance with the correction order must be mailed or sent to the facility. The notice must specify the uncorrected violations and the penalties assessed in accordance with section 50-11-04.5.

50-11-04.4. Fiscal sanctions.

A facility, if issued a notice of noncompliance with a correction order, must be assessed fiscal sanctions in accordance with a schedule of fiscal sanctions established by rule. The fiscal sanction must be assessed for each day the facility remains out of compliance after the allowable time for the correction of deficiencies ends and must continue until a notice of correction is received by the department in accordance with section 50-11-04.6. No fiscal sanction for a specific violation may exceed twenty-five dollars per day of noncompliance.

50-11-04.5. Accumulation of fiscal sanctions.

A facility must promptly provide written notice to the department when a violation noted in a notice of noncompliance is corrected. Upon receipt of written notice by the department, the daily fiscal sanction assessed for the deficiency must stop accruing. The facility must be promptly reinspected. If, upon reinspection, it is determined that the deficiency has not been corrected, the daily assessment of fiscal sanctions must resume and the amount of fiscal sanctions that otherwise would have accrued during the period prior to resumption must be added to the total assessment due from the facility. The department must mail or deliver a notice of resumption to the facility. Recovery of the resumed fiscal sanction must be stayed if the licensee makes a written request for an administrative hearing in the manner provided for in chapter 28-32, provided that the written request for the hearing is made to the department within ten days after mailing or delivery of the notice of resumption.

50-11-04.6. Recovery of fiscal sanctions - Hearing.

Fiscal sanctions assessed pursuant to this chapter are payable fifteen days after receipt of the notice of noncompliance and at fifteen-day intervals thereafter, as the fiscal sanctions accrue. Recovery of an assessed fiscal sanction must be stayed if the operator makes written request to the department for an administrative hearing within ten days after mailing or delivery of the notice.

50-11-04.7. Disposition of fiscal sanctions.

Any fiscal sanction collected for any violation of this chapter or of rules adopted pursuant to this chapter must be paid into the state treasury for the general fund after the costs of recovering the fiscal sanction are deducted therefrom.

50-11-06. Facility not to hold itself out as having authority to dispose of child by adoption unless licensed.
