3. The word "board" when used in this title includes the state banking board and the state credit union board.

#### **6-01-04. Powers and duties of the state banking board and state credit union board.**

The state banking board may adopt rules for the government of financial institutions and trust companies mentioned in section 6-01-01 to the extent the rules do not conflict with any law of this state or of the United States. The state banking board shall make and enforce such orders as are necessary or proper to protect the public and the depositors or creditors of those financial institutions and trust companies.

The same powers are given to the state credit union board with reference to credit unions as are granted to the state banking board with reference to financial institutions and trust companies named in this chapter.

#### **6-01-04.1. Removal of officers, directors, and employees of financial corporations or institutions.**

1. The department of financial institutions or the board may issue and serve, upon any current or former officer, director, or employee of a financial corporation, financial institution, or credit union subject to its jurisdiction and upon a financial corporation, financial institution, or credit union involved, an order stating:
  - a. That the current or former officer, director, or employee is engaging, or has engaged, in any of the following conduct:
    - (1) Violating any law, regulation, board order, or written agreement with the board.
    - (2) Engaging or participating in any unsafe or unsound practice.
    - (3) Performing any act of commission or omission or practice which is a breach of trust or a breach of fiduciary duty.
  - b. The term of the suspension or removal from employment and participation within the conduct of the affairs of a financial corporation, financial institution, or credit union.

2. The order must contain a notice of opportunity for hearing pursuant to chapter 28-32. The date for the hearing must be set not less than thirty days after the date the complaint is served upon the current or former officer, director, or employee of a financial corporation, financial institution, or credit union. The current or former officer, director, or employee may waive the thirty-day notice requirement.
3. If no hearing is requested within twenty days of the date the order is served upon the current or former officer, director, or employee, or if a hearing is held and the board finds that the record so warrants, and if the board finds that a financial corporation, financial institution, or credit union has suffered or will probably suffer significant loss or other significant damage or that the interest of its depositors, shareholders, members, or creditors could be seriously prejudiced, it may enter a final order suspending or removing the current or former officer, director, or employee. The current or former officer or employee may request a termination of the final order after a period of no less than three years.
4. A contested or default suspension or removal order is effective immediately upon service on the current or former officer, director, or employee and upon a financial corporation, financial institution, or credit union. A consent order is effective as agreed.
5. Any current or former officer, director, or employee suspended or removed from any position pursuant to this section is not eligible, while under suspension or removal, to be employed or otherwise participate in the affairs of any financial corporation, financial institution, or credit union or any other entity licensed by the department of financial institutions until the suspension or removal is terminated by the department of financial institutions or board.
6. When any current or former officer, director, employee, or other person participating in the conduct of the affairs of a financial corporation, financial institution, or credit union is charged with a felony in state or federal court, involving dishonesty or breach of trust, the commissioner may immediately suspend the person from office or prohibit the person from any further participation in a financial corporation's, financial institution's, or credit union's affairs. The order is effective immediately upon service of the order on a financial corporation, financial institution, or credit union and the person charged, and remains in effect until the criminal charge is finally disposed of or until modified by the board. If a judgment of conviction, a federal pretrial diversion, or similar state order or judgment is entered, the board may order that the suspension or prohibition be made permanent. A finding of not guilty or other disposition of the charge does not preclude the commissioner or the board from pursuing administrative or civil remedies.

**6-01-04.2. Cease and desist orders.**

1. The department of financial institutions or the board may issue and serve upon a financial corporation, financial institution, or credit union subject to its jurisdiction a complaint stating the factual basis for the department's or board's belief that the financial corporation, financial institution, or credit union is engaging in any of the following conduct:
  - a. An unsafe or unsound practice.
  - b. A violation in the past or on a continuing basis of any law, regulation, board order, or written agreement entered into with the board.
2. The complaint must contain a notice of opportunity for hearing pursuant to chapter 28-32. The date for the hearing must be set not less than thirty days after the date the complaint is served upon the financial corporation, financial institution, or credit union. The financial corporation, financial institution, or credit union may waive the thirty-day notice requirement.
3. If the financial corporation, financial institution, or credit union fails to respond to the complaint within twenty days of its service, or if a hearing is held and the board concludes that the record so warrants, the board may enter an order directing the financial corporation, financial institution, or credit union to cease and desist from

engaging in the conduct which was the subject of the complaint and hearing and to take corrective action.

4. The commissioner or the board may enter an emergency, temporary cease and desist order if the commissioner or the board finds the conduct described in the complaint is likely to cause insolvency, substantial dissipation of assets, earnings, or capital of the financial corporation, financial institution, or credit union, or substantial prejudice to the depositors, shareholders, members, or creditors of the financial corporation, financial institution, or credit union. An emergency, temporary cease and desist order is effective immediately upon service on the financial corporation, financial institution, or credit union and remains in effect for no longer than sixty days or until the conclusion of permanent cease and desist proceedings pursuant to this section, whichever is sooner. An emergency, temporary cease and desist order may be issued without an opportunity for hearing. The financial corporation, financial institution, or credit union upon which such an order is served may apply to the district court of the county in which the financial corporation, financial institution, or credit union is located for an order enjoining the operation of the emergency, temporary order. The application for injunction and procedure upon application must comply with the requirements of section 6-07-14.

#### **6-01-04.3. Assessment of civil money penalties.**

1. The commissioner or the board may assess a civil money penalty against a financial institution, financial corporation, or credit union, or an officer, director, employee, agent, or person participating in the conduct of the affairs of the financial corporation, financial institution, or credit union upon finding one or more of the following:
  - a. Failure to comply with a permanent or temporary cease and desist order that has been voluntarily consented to or issued pursuant to section 6-01-04.2;
  - b. Failure to comply with a final order that has been voluntarily consented to or issued following formal proceedings under chapter 28-32;
  - c. Payment of dividends in violation of section 6-03-36;
  - d. Loans and leases to one borrower or concern which exceed the limitations set forth in sections 6-03-59 and 6-03-59.1;
  - e. Loans to directors, officers, and employees in violation of section 6-03-60;
  - f. The intentional filing of inaccurate or misleading call reports required by section 6-03-70 or 6-06-08;
  - g. Violations of loan limitations under subsection 1 of section 6-06-12 or North Dakota Administrative Code section 13-03-16-03, 13-03-16-05, or 13-03-16-08;
  - h. Loans in violation of section 6-06-14 or subsection 2 of section 13-03-16-02 of the North Dakota Administrative Code or subsection 2 of section 13-03-16-05 of the North Dakota Administrative Code; or
  - i. Failure to file notice of change of control under section 6-08-08.1.
2. The commissioner or the board commences administrative proceedings to assess civil money penalties by serving a complaint on the respondent stating the factual basis for the commissioner's or board's belief that a violation has occurred and the amount of civil penalties that the complaint seeks to impose. The complaint must contain a notice of an opportunity for an administrative hearing conducted under chapter 28-32. The date for the hearing must be set not less than thirty days after the date the complaint is served upon the respondent. If assessment of civil money penalties are proposed based on conditions described in subdivisions c through i of subsection 1, a complaint may not be filed unless the respondent has been provided with prior orders, examination reports, or other written communications, and has willfully refused to take corrective action that the respondent was capable of taking at the time.
3. If the respondent fails to answer the complaint within twenty days of its service, the commissioner or board may enter an order imposing civil money penalties upon the respondent. If a hearing is held and the board concludes that the record so warrants, the board may enter an order imposing civil money penalties upon the respondent. The assessment order is effective and enforceable immediately upon service or upon

a date specified in the order, and remains effective and enforceable until it is stayed, modified, terminated, or set aside by action of the board or a reviewing court.

4. In determining the amount of civil penalty imposed, the commissioner or board shall consider whether good faith was exercised, and the gravity of the violation and any previous violations. The commissioner or board may not impose a civil money penalty in excess of five thousand dollars for each occurrence and one hundred dollars per day for each day that the violation continues after service of an order. Any civil money penalties collected under this section must be paid to the department of financial institutions and deposited in the financial institutions regulatory fund.

#### **6-01-04.4. Prompt corrective action.**

The board may enter an order if the board finds that a state bank is undercapitalized, significantly undercapitalized, or critically undercapitalized. For the purpose of this section, undercapitalized, significantly undercapitalized, and critically undercapitalized have the same definition as found in title 12, Code of Federal Regulations, part 325, section 103. The order may require an undercapitalized state bank to take prompt corrective action as the board determines reasonable to bring the bank to an adequately capitalized condition, including the submission and implementation of an acceptable capital restoration plan. For a significantly or critically undercapitalized state bank, the board may issue a temporary cease and desist order appointing a receiver, or with the consent of the federal deposit insurance corporation appoint a conservator or take such other action as may be better to resolve the problems of the state bank consistent with section 38 of the Federal Deposit Insurance Act of 1991 [Pub. L. 102-242; 105 Stat. 2253; 12 U.S.C. 1831(o) et seq.]. A bank that has been served with a complaint requesting the state banking board to issue a prompt corrective action under this section may request a hearing before the board within five days after service of the complaint upon the bank. A request for a hearing must be granted and the hearing must be held not later than ten days after the request is filed with the board. A complete record of the hearing must be established and maintained. On the basis of the hearing, the board may issue an order. The bank may appeal the board's order under this section to the district court of Burleigh County, North Dakota, within ten days after the board's order is served on the bank. The appeal is governed by chapter 28-32.

#### **6-01-05. Taking of testimony and enforcement of orders.**

The state banking board, the state credit union board, the commissioner, and the deputy examiners each have the power to subpoena witnesses, administer oaths, and generally to do and perform any and all acts and things necessary to the complete performance of the powers and duties imposed upon them in this title, and to enforce the provisions of law relating to financial corporations, financial institutions, and credit unions. For the purpose of enabling them to perform all the duties imposed upon them, the provisions of section 27-10-23 are applicable to their proceedings. Any and all orders made by the issuing board or commissioner are operative immediately and remain in full force until modified, amended, or annulled by the issuing board, commissioner, or by a court of competent jurisdiction in an action commenced by the party against whom such order has been issued.

#### **6-01-06. Appointment of receivers.**

The state banking board and state credit union board, except as otherwise provided in this title, have authority and power to appoint, by their own order, receivers for insolvent financial institutions and credit unions under their regulatory supervision. Such receivers have the same power and authority, and their acts have the same validity, as if they had been appointed under and by the direction of a district court. Nothing herein contained may be construed so as to take away from the courts the power to appoint receivers of such financial institutions and credit unions at any stage of the proceedings and thus to terminate the receivership ordered by the board.

#### **6-01-07. Records of state banking board, state credit union board, and commissioner.**
