

**CHAPTER 50-03  
COUNTY HUMAN SERVICES FUND**

**50-03-00.1. Definitions.**

Terms defined in chapter 50-01.2 have the same meaning when used in this chapter.

**50-03-01. Board of county commissioners may levy human services funding.**

The board of county commissioners may levy a tax for support of human services programs in the county as provided in section 50-06.2-05.

**50-03-02. County human services fund.**

Each county in this state shall maintain a fund to be known as the county human services fund into which the county treasurer, immediately upon receipt thereof, shall pay that proportion of the tax receipts which the county human services appropriation bears to the total county appropriations.

**50-03-03. Relief expenditures paid from human services fund.**

All expenditures by the county for the relief of the needy must be paid out of the county human services fund. The fund is not subject to any other charges and is exempt from section 21-02-08.

**50-03-04. Transfer of money to human services fund.**

If the human services appropriation made by a board of county commissioners is not sufficient to meet the expenditures required by law, the county auditor, on order of the board of county commissioners, may make a transfer to the county human services fund from any other fund, except sinking and interest funds set aside to pay the principal or interest on outstanding bond issues or funds set aside to retire any other outstanding indebtedness.

**50-03-05. Emergency expenditures - Special warrants.**

If the unexpended balance in any fund or funds of the county which may be transferred to the county human services fund is insufficient to meet an emergency created by unusual and unanticipated demands on the human services fund, the board of county commissioners, by resolution, may authorize the expenditure of an amount in excess of budget appropriations and may obligate the county in excess of such appropriations for the purpose of replenishing the human services fund. For such emergency expenditures, the county auditor immediately shall issue special warrants to be known and designated as "warrant for emergency human services". Section 21-02-08 does not apply to such emergency expenditures.

**50-03-06. County human services program levy insufficiency due to extraordinary impact - Application for state assistance.**

The board of county commissioners may apply to the department of human services for a grant if that county has expended revenue exceeding the amount generated by a levy of twenty mills for support of human services programs in the county as provided in section 50-06.2-05 for the current or immediately preceding budget year due to extraordinary human services program impact. If it is shown to the satisfaction of the department of human services that the county has experienced extraordinary human services program impact from meeting human services needs resulting from proximity to an Indian reservation or proximity to the state hospital, the department may provide a grant, from funds available to the department for that purpose, of up to the excess amount expended.

**50-03-07. Appropriation for food stamp program administration - Financial agreement.**
