4-08-09. Budgeting for extension agent.

When the board of county commissioners is authorized to make a levy for the employment of an extension agent, it shall provide a budget that stipulates the salary of the agent, field and office expenses, and allowance for clerical hire. After mutually agreeing upon a budget and after deducting the amount of funds contributed from federal and state funds, the board shall proceed to make a levy or appropriate funds out of the county general fund or both as it may deem necessary to cover the county's share of the budget. Until the office of extension agent is discontinued, the board shall agree upon a similar budget and annually shall make the levy and appropriation.

The extension agent shall submit monthly an accurate itemized account of all expenditures incurred by the agent in the regular conduct of duties to the North Dakota state university extension service for examination and audit. The subvoucher or receipt must show at what place, on what date, and for what the money expended was paid. The extension agent shall forward the subvouchers or receipts with the bill, claim, account, or demand against the county. When charges are made for transportation expenses, they may not exceed the amounts provided by section 11-10-15, and must be in itemized form showing the mileage traveled, the days when and how traveled, and the purpose thereof, verified by affidavit. The account must be transmitted and recommended for payment by the North Dakota state university extension service which shall audit the same and which may approve or disallow any expense item therein. The state board of agricultural research and education and the president of North Dakota state university shall control and administer the North Dakota state university extension service subject to the supervision of the state board of higher education. Funds appropriated to the North Dakota state university extension service may not be commingled with funds appropriated to North Dakota state university. An appropriation request to defray expenses of the North Dakota state university extension service must be separate from an appropriation request to defray expenses of North Dakota state university. Subject to the availability of funds, the director of the North Dakota state university extension service may adjust or increase full-time equivalent positions in order to carry out activities to accomplish the mission of the extension service. All full- or part-time positions must be separate from North Dakota state university. Within thirty days following the boys' and girls' achievement days, the extension agent shall refund to the office of management and budget any balance not expended, which must be remitted to the state treasurer and placed to the credit of the general fund.

4-08-11. Report to county auditor.

The active direction and supervision of the work of the extension agent must be carried on by the North Dakota state university extension service. The board of county commissioners has general administrative authority and must be consulted frequently with reference to the general policy and the work of the agent. The suggestions and directions of the board must be followed when not in conflict with state and federal laws or regulations governing appropriations for extension work.

4-08-13. Vacancies - How to be filled.

In case a vacancy occurs in the position of extension agent, the procedure for the selection of a successor must be similar to that provided for in the selection of an agent when the work is instituted in the county.

4-08-14. Dissatisfaction with extension agent - Meeting to be arranged.

If the North Dakota state university extension service or the board of county commissioners becomes dissatisfied with an extension agent, a joint meeting must be arranged at which detailed information as to the misconduct, negligence, or inefficiency of the agent must be presented and such joint action taken as is justified by the evidence.

4-08-15. Extension work levy and funding - Additional levy with voter approval.

If a levy for extension work has been approved under sections 4-08-01 and 4-08-03, the board of county commissioners may levy for extension work in an amount not exceeding the limitation in subsection 2 of section 57-15-06.7.

Voter-approved levy authority authorized by electors of a county before January 1, 2015, remains in effect through taxable year 2024 or for the time period authorized by the electors, whichever expires first. After January 1, 2015, approval or reauthorization by electors of voter-approved levy authority under this section may not be effective for more than ten taxable years.

The board of county commissioners may appropriate additional funds out of the county general fund to cover any unanticipated deficiency in funding for extension work.
