

**CHAPTER 21-05
CLAIMS AGAINST TOWNSHIPS AND COUNTIES**

21-05-01. Claims against township or county - How accounts stated.

No account or claim against any township or county of this state may be allowed by the governing body thereof until a full itemized statement in writing has been filed with the governing body or unless otherwise authorized by the governing body pursuant to contract or other action. The governing body, in its discretion, may require the filing of any additional information which it may deem necessary to the proper understanding and audit of any claim or account and it may require the filing of a sworn statement in such form as it may prescribe. The provisions of this section, however, do not apply to any claim or demand for an annual salary or per diem of jurors or witnesses fixed by or in pursuance of any statute. Whenever the county auditor is not readily available to sign and issue warrants upon the county treasurer for the payment of the salary or per diem of jurors or witnesses, the county treasurer is authorized to pay such salary or per diem upon the written order of the judge of the court in which such jurors or witnesses have served and in such cases the county treasurer shall furnish the county auditor with statements of all claims paid.

21-05-02. Accounts may be verified.

The verification described in section 21-05-01 may be in substantially the following form:

appears just and lawful, saving to such claimant the right of appeal in accordance with the procedure provided in section 28-34-01. Approval by the board must be recorded in the record of its proceedings and this is sufficient to indicate approval without requiring a majority of the members of the board to sign or initial the voucher or order for payment.

Any person, whether or not acting as a member of any board, who audits and allows any account, claim, or demand against any county or township required to be itemized, without having the same first duly itemized, is guilty of a class B misdemeanor.
