

CHAPTER 57-39.2 SALES TAX

57-39.2-01. Definitions.

The following words, terms, and phrases, when used in this chapter, have the meaning ascribed to them in this section, unless the context clearly indicates a different meaning:

1. "Bundled transaction" means the retail sale of two or more products, except real property and services to real property, where the products are otherwise distinct and identifiable, and the products are sold for one nonitemized price. A bundled transaction does not include the sale of any products in which the sales price varies, or is negotiable, based on the selection by the purchaser of the products included in the transaction.
 - a. Distinct and identifiable products do not include:
 - (1) Packaging such as containers, boxes, sacks, bags, and bottles or other materials such as wrapping, labels, tags, and instruction guides that accompany the retail sale of the products and are incidental or immaterial to the retail sale. Examples of packaging that are incidental or immaterial include grocery sacks, shoeboxes, drycleaning garment bags, and express delivery envelopes and boxes.
 - (2) A product provided free of charge with the required purchase of another product. A product is provided free of charge if the sales price of the product purchased does not vary depending on the inclusion of the product provided free of charge.
 - (3) Items included in the definition of gross receipts.
 - b. The phrase "one nonitemized price" does not include a price that is separately identified by product on binding sales or other supporting sales-related documentation made available to the customer in paper or electronic form, including an invoice, bill of sale, receipt, contract, service agreement, lease agreement, periodic notice of rates and services, rate card, or price list.
 - c. A transaction that otherwise meets the definition of a bundled transaction as defined in this section is not a "bundled transaction" if it is:
 - (1) The retail sale of tangible personal property and a service where the tangible personal property is essential to the use of the service, and is provided exclusively in connection with the service, and the true object of the transaction is the service;
 - (2) The retail sale of services where one service is provided that is essential to the use or receipt of a second service and the first service is provided exclusively in connection with the second service and the true object of the transaction is the second service;
 - (3) A transaction that includes taxable products and nontaxable products and the purchase price or sales price of the taxable products is de minimis.
 - (a) "De minimis" means the seller's purchase price or sales price of the taxable products is ten percent or less of the total purchase price or sales price of the bundled products.
 - (b) Sellers shall use either the purchase price or the sales price of the products to determine if the taxable products are de minimis. Sellers may not use a combination of the purchase price and sales price of the products to determine if the taxable products are de minimis.
 - (c) Sellers shall use the full term of a service contract to determine if the taxable products are de minimis; or
 - (4) The retail sale of exempt tangible personal property and taxable tangible personal property where:
 - (a) The transaction includes food and food ingredients, drugs, durable medical equipment, mobility-enhancing equipment, over-the-counter drugs, prosthetic devices, or medical supplies; and

- (b) If the seller's purchase price or sales price of the taxable tangible personal property is fifty percent or less of the total purchase price or sales price of the bundled tangible personal property. Except as provided in section 57-39.2-12 for monthly reports and payments, on or before the last day of the month following the close of the first quarterly period, and on or before the last day of the month following each subsequent quarterly period of three months, the retailer shall make out a return for the preceding quarterly period in the form and manner as may be prescribed by the commissioner, showing the gross receipts of the retailer, the amount of the tax for the period covered by the return, and any further information as the commissioner may require to enable the retailer correctly to compute and collect the tax herein levied. The commissioner, upon request by any retailer and a proper showing of the necessity therefor, may grant unto the retailer an extension of time not to exceed thirty days for making a return. If the extension is granted to any retailer, the time in which the retailer is required to make payment as provided for in section 57-39.2-12 must be extended for the same period but interest must be charged upon the amount of the deferred payment at the rate of twelve percent per annum from the date the tax would have been due if the extension had not been granted to the date the tax is paid.
2. The commissioner may require the filing of returns and payment of tax on a monthly, quarterly, annual, or other basis when the commissioner deems it necessary to ensure payment of the tax imposed by this chapter. If the retailer's filing responsibility has been assumed by a certified service provider, the retailer may authorize the certified service provider to claim on behalf of the retailer all or part of the compensation to which the retailer is entitled under sections 57-39.2-12.1 and 57-40.2-07.1.
3. Returns must be signed by the retailer or a duly authorized agent of the retailer and must contain a written declaration that they are made and subscribed under the penalties of this chapter. The tax commissioner may prescribe alternative methods for signing, subscribing, or verifying a return filed by electronic means, including telecommunications, that shall have the same validity and consequence as the actual signature and written declaration for a paper return.

57-39.2-12. Payment of tax - Bond - Creation of lien.

1. The tax levied under this chapter is due and payable in quarterly installments on or before the last day of the month next succeeding each calendar quarterly period, except that if total sales subject to sales and use taxes for the preceding calendar year for any business which has been issued a sales tax permit equal or exceed three hundred thirty-three thousand dollars, the tax levied under this chapter is payable monthly on or before the last day of the next succeeding month. The tax commissioner may, upon request and for good cause shown, waive the requirement to file and remit monthly. The retailer shall pay the total tax due in the manner prescribed by the tax commissioner. Penalties and interest for failure to file a return, for filing an incorrect return, or for failure to pay the tax due are those prescribed in section 57-39.2-18. If the total of sales subject to the tax decreases below three hundred thirty-three thousand dollars for any succeeding year, the retailer may return to quarterly filing and payments. When there is a sale of any business by any retailer or when any business is discontinued by a retailer, the tax becomes due immediately prior to the sale or discontinuance of the business and if not paid within fifteen days thereafter it becomes delinquent and subject to the penalties provided in section 57-39.2-18. In the event of a business reorganization in which the ownership of the business organization remains

in the same person or persons as prior to the reorganization, the total sales subject to sales and use taxes for the preceding calendar year for the business that was reorganized must be used to determine whether the tax is payable monthly under this subsection.

2. Every retailer, at the time of making the return required hereunder, shall compute and pay to the commissioner the tax due for the preceding period.
3. The commissioner, when in the commissioner's judgment it is necessary and advisable to do so in order to secure the collection of the tax levied under this chapter, may require any person subject to such tax to file with the commissioner a bond, issued by a surety company authorized to transact business in this state and approved by the insurance commissioner as to solvency and responsibility in such amount as the commissioner may fix, to secure the payment of any tax and penalties due or which may become due from such person. In lieu of such bond, securities approved by the commissioner in such amounts as the commissioner prescribes, may be deposited with the commissioner, which securities must be kept in the custody of the commissioner and may be sold by the commissioner at public or private sale, without notice to the depositor thereof, if it becomes necessary so to do in order to recover any tax and penalties due. All moneys deposited as security with the commissioner under the provisions of this subsection must be paid by the commissioner to the state treasurer and must be credited by the state treasurer into a special fund to be known as the retail sales and use tax security trust fund. If any tax, penalty, or costs imposed by this chapter are not paid when due, by the person depositing moneys with the commissioner as security for the payment of tax, penalty, or costs imposed by this chapter, the commissioner shall certify that information to the director of the office of management and budget who shall transmit the money to the commissioner who shall apply the money deposited by the person or so much thereof as is necessary to satisfy the tax and penalties due. The commissioner, when in the commissioner's judgment it is no longer necessary to require the deposit to be maintained by the person, shall certify that information to the director of the office of management and budget who shall pay the unused money to the person entitled thereto.
4. Remittances on account of tax due under this chapter may not be deemed or considered payment thereof unless or until the commissioner has collected or received the amount due for such tax in cash or equivalent credit.
5. A retailer required to file monthly returns under subsection 1 shall file the returns by an electronic method approved by the commissioner. A retailer that does not comply with the requirement to file reports electronically is deemed to have failed to file the sales and use tax returns as provided in section 57-39.2-15 and is subject to the penalties provided in section 57-39.2-18. The commissioner may, for good cause shown, waive the filing requirements of this subsection.

57-39.2-12.1. Deduction to reimburse retailer for administrative expenses.

1. A retailer registered to report and remit sales, use, or gross receipts tax imposed under chapter 57-39.2, 57-39.5, 57-39.6, or 57-40.2 may deduct and retain one and one-half percent of the tax due. The aggregate of deductions allowed by this section and section 57-40.2-07.1 may not exceed one hundred ten dollars per return. Retailers that receive compensation under this subsection may not receive additional compensation under subsection 2 or 3 for the same period.
2. A certified service provider that contracts with retailers to calculate, collect, and remit tax due on behalf of retailers may deduct and retain from the tax remitted to the tax commissioner compensation or a monetary allowance up to the amount approved by the streamlined sales and use tax governing board effective June 1, 2006. The compensation provided in this subsection applies only to tax remitted by certified service providers on behalf of retailers that are remote sellers registered to collect sales and use tax in this state under chapter 57-39.4. Certified service providers that receive compensation under this subsection may not receive additional compensation under subsection 1 or 3 for the same period.

3. A retailer that is a remote seller registered to collect sales and use tax under chapter 57-39.4 and that uses a certified automated system to calculate, report, and remit tax due under chapters 57-39.2, 57-39.4, and 57-40.2 may deduct and retain compensation or a monetary allowance up to the amount approved by the streamlined sales and use tax governing board during its December 2006 meeting. Retailers that receive compensation under this subsection may not receive additional compensation under subsection 1 or 2 for the same period.
4. For purposes of this section, "remote seller" means a retailer that does not have an adequate physical presence to establish nexus in this state for sales and use tax purposes.
5. Compensation may not be deducted and retained under this section unless the tax due is paid within the time limitations under section 57-39.2-12 or 57-40.2-07 or chapter 57-39.4. If a retailer fails to timely file a return or pay the tax due, the tax commissioner may, for good cause shown, allow the retailer to deduct and retain the compensation under this section.
6. The deduction allowed retailers or certified service providers by this section is to reimburse retailers directly or indirectly for expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying information to the tax commissioner upon request.

57-39.2-13. Lien of tax - Collection - Action authorized.

1. Whenever any taxpayer liable to pay a tax or penalty imposed refuses or neglects to pay the same, the amount, including any interest, penalty, or addition to such tax, together with the costs that may accrue in addition thereto, is a lien in favor of the state of North Dakota upon all property and rights to property, whether real or personal, belonging to said taxpayer, and in the case of property in which a deceased taxpayer held an interest as joint tenant or otherwise with right of survivorship at the time of death, the lien continues as a lien against the property in the hands of the survivor or survivors to the extent of the deceased taxpayer's interest therein, which interest must be determined by dividing the value of the entire property at the time of the taxpayer's death by the number of joint tenants or persons interested therein.
2. The lien aforesaid attaches at the time the tax becomes due and payable and continues until the liability for such amount is satisfied. For the purposes of this provision the words "due" and "due and payable" mean the first instant at which the tax becomes due.
3. Any mortgagee, purchaser, judgment creditor, or lien claimant acquiring any interest in, or lien on, any property situated in the state, prior to the commissioner filing in the central indexing system maintained by the secretary of state, a notice of the lien provided for in section 57-39.2-12, takes free of, or has priority over, the lien.
4. The commissioner shall index in the central indexing system the following data:
 - a. The name of the taxpayer.
 - b. The name "State of North Dakota" as claimant.
 - c. The date and time the notice of lien was indexed.
 - d. The amount of the lien.
 - e. The internal revenue service taxpayer identification number or social security number of the taxpayer.

The notice of lien is effective as of eight a.m. next following the indexing of the notice. Any notice of lien filed by the commissioner may be indexed in the central indexing system without changing its original priority as to property in the county where the lien was filed.

5. The commissioner is exempt from the payment of the filing fees as otherwise provided by law for the indexing of the notice of lien, or for its satisfaction.
6. Upon payment of the tax as to which the commissioner has indexed notice in the central indexing system, the commissioner shall index a satisfaction of the lien in the central indexing system.

7. The attorney general, upon the request of the commissioner, shall bring an action at law or in equity, as the facts may justify, without bond to enforce payment of any taxes and any penalties, or to foreclose the lien therefor in the manner provided for mortgages on real or personal property, and in such action shall have the assistance of the state's attorney of the county in which the action is pending.
8. It is expressly provided that the foregoing remedies of the state are cumulative and that no action taken by the commissioner or attorney general may be construed to be an election on the part of the state or any of its officers to pursue any remedy hereunder to the exclusion of any other remedy provided by law.
9. The technical, legal requirements outlined in this section relating to tax liens on all real and personal property of the taxpayer to ensure payment of the taxes, including penalties, interest, and other costs, are self-explanatory.

57-39.2-14. Permits - Application fee for reissuance.

1. A person may not engage in or transact business as a retailer within this state unless a permit or permits shall have been issued to that person as hereinafter prescribed. Every person desiring to engage in or conduct business as a retailer within this state shall file with the commissioner an application for a permit or permits. Every application for such a permit shall be made upon a form prescribed by the commissioner and shall set forth the name under which the applicant transacts or intends to transact business, the location of the applicant's place or places of business, and such other information as the commissioner may require. The application shall be signed by the owner if a natural person; in the case of an association, partnership, or limited liability company, by a member or partner thereof; and in the case of a corporation, by an executive officer thereof or some person specifically authorized by the corporation to sign the application, to which shall be attached the written evidence of that person's authority. Any person registering under the agreement adopted under chapter 57-39.4 shall register in this state. Any person who is registered under the agreement is not required to sign the application and may register through an agent. Any person who is registered under such agreement may cancel its registration at any time but is liable for remitting any sales taxes collected before cancellation. Registration under the agreement and collection of tax does not in and of itself create nexus for other taxes or fees imposed by this state.
2. Upon determining that each applicant for a sales tax permit is a bona fide retailer, the commissioner shall grant and issue to each applicant a permit for each place of business within the state. A permit is not assignable and shall be valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued. Any transient merchant who is in the business of soliciting or making sales at retail to consumers shall, before soliciting such a sale from a consumer, exhibit to the consumer or prospective consumer the retail sales tax permit required by this section; for the purposes of this sentence the term "transient merchant" shall include any person, individual, copartnership, corporation, or limited liability company, either as principal or agent, who solicits, engages in, does, or transacts any temporary or transient business in this state, either in one locality, or in traveling from place to place in this state, selling goods, wares, and merchandise, who does not intend to become and does not become a permanent merchant of such place, and who, for the purpose of carrying on such business, hires, leases, occupies, or uses, a building, structure, lot, tract, railroad car, motor vehicle, or display case or sample case of any kind for the exhibition and sale of such goods, wares, and merchandise.
3. Permits issued under the provisions of this section shall be valid and effective until revoked by the commissioner.
4. Whenever the holder of a permit fails to comply with any of the provisions of this chapter or any rules or regulations prescribed by the commissioner and adopted under this chapter, or whenever the holder of a permit shall file returns showing no tax due for four consecutive quarters, the commissioner, upon hearing after giving ten days'

notice of the time and place of the hearing to show cause why the holder's permit should not be revoked, may revoke the permit. The commissioner also shall have the power to restore licenses after such revocation.

5. Whenever the holder of a permit has had such a permit revoked for failure to comply with the provisions of this chapter or any rules and regulations prescribed by the commissioner and adopted under this chapter, the commissioner shall charge a fee of fifty dollars for the issuance or reissuance of such permit. However, if a permit was revoked for filing returns showing no tax due for four consecutive quarters, the commissioner shall charge only a fee of five dollars for the issuance or reissuance of such permit.
6. All permits in effect at the time this chapter takes effect are hereby continued and shall remain in full force and effect unless revoked as herein provided. However, the commissioner may issue a new form of permit to replace, at no charge to the permitholders, all permits previously granted and issued that have not been revoked or surrendered.
7. Whenever the holder of a permit is convicted of violating section 12.1-23-16, the commissioner shall revoke the permit and the holder is not eligible to receive another permit for a period of ten years from the date of conviction. Any person convicted of violating section 12.1-23-16 who is not a holder of a permit at the time of conviction is not eligible to receive a permit for a period of ten years from the date of conviction.

57-39.2-14.1. Commissioner may authorize direct payment of sales and use tax.

Upon application by any person, the commissioner may issue to the applicant, subject to such terms and conditions as the commissioner deems reasonable and necessary, a permit to be known as a direct payment permit authorizing such applicant to make direct payment to the commissioner of any sales or use tax imposed on any purchase, use, storage, or consumption in this state of tangible personal property or services by such applicant. Such applicant may elect to pay any such taxes directly to the commissioner and for that purpose may issue to the retailer selling or furnishing the tangible personal property or services subject to such taxes a direct payment certificate in the form prescribed by the commissioner, assuming the obligation to pay all such taxes, and the receipt of such certificate discharges such retailer from any duty to collect or liability for such taxes. Such direct payment permit may be revoked by the commissioner, with or without cause, at any time.

57-39.2-15. Failure to file return - Incorrect return.

If a return required by this chapter is not filed, or if a return when filed is incorrect or insufficient, the commissioner shall determine the amount of tax due from any information as the commissioner may be able to obtain, and, if necessary, may estimate the tax on the basis of external indices, such as number of employees of the person concerned, rentals paid by the person, the person's stock on hand, and other factors. The commissioner shall give notice of the determination to the person liable for the tax. If the determination of tax due relates to an incorrect or insufficient return filed by a taxpayer, notice of the determination must be given not later than three years after the last day on which the return was due or three years after the return was filed, whichever period expires later; if it is determined upon audit that the tax due was twenty-five percent or more above the amount reported on a return, notice of determination of tax due must be given not later than six years after the last day on which the return was due or six years after the return was filed, whichever is later. Notice of determination of tax due for any reporting period for which a taxpayer failed to file a return must be given not later than six years after the due date of the return but if fraudulent information is given in a return or the failure to file a return is due to the fraudulent intent or willful attempt of the taxpayer in any manner to evade the tax, the time limitation herein provided for giving notice of the determination of tax due does not apply. The determination of tax due fixes the tax finally and irrevocably unless the person against whom it is assessed, within thirty days after the giving of notice of the determination, protests the determination under rules adopted by the commissioner and under chapter 28-32.

57-39.2-15.1. Extensions of time to perform sales tax audits.

1. Before the expiration of time prescribed in section 57-39.2-15 for the assessment of tax, the commissioner and the taxpayer may agree in writing to an extension of time for the assessment of the tax. The tax may be assessed at any time prior to the expiration of the period agreed upon. The period agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. No extension may be for more than one year from the date of the extension agreement.
2. If a taxpayer agrees to an extension of time for assessment of tax, the period of time for refund claims will be similarly extended.

57-39.2-15.2. Governor and manager liability.

1. If a limited liability company required to hold a permit under this chapter fails for any reason to file the required returns or to pay the taxes due under this chapter, the governors, managers, or members of a member-controlled limited liability company, jointly or severally, charged with the responsibility of supervising the preparation of the returns and payments are personally liable for the failure. The dissolution of a limited liability company does not discharge a governor's, manager's, or member's liability for a prior failure of the limited liability company to file a return or remit the tax due. The taxes, penalty, and interest may be assessed and collected under the provisions of this chapter.
2. If the governors, managers, or members elect not to be personally liable for the failure to file the required returns or to pay the tax due, the limited liability company must be required to make a cash deposit or post with the tax commissioner a bond or undertaking executed by a surety company authorized to do business in this state. The cash deposit, bond, or undertaking provided for in this section must be in an amount equal to the estimated annual sales tax liability of the limited liability company.

57-39.2-15.3. Liability of a general partner in a limited liability limited partnership.

1. If a limited liability limited partnership required to hold a permit under this chapter fails for any reason to file the required returns or to pay the tax due under this chapter, the general partners, jointly or severally, charged with the responsibility of supervising the preparation of the returns and payment of the tax are personally liable for the partnership's failure. The dissolution of a limited liability limited partnership does not discharge a general partner's liability for a prior failure of the partnership to file a return or remit the tax due. The taxes, penalty, and interest may be assessed and collected pursuant to the provisions of this chapter.
2. If the general partners elect not to be personally liable for the failure to file the required returns or to pay the tax due, the limited liability limited partnership must make a cash deposit or post with the commissioner a bond or undertaking executed by a surety company authorized to do business in this state. The cash deposit, bond, or undertaking must be in an amount equal to the estimated annual sales tax liability of the limited liability limited partnership.

57-39.2-16. Appeals.

An appeal may be taken by the taxpayer to the district court of the county in which the taxpayer resides, or in which the taxpayer's principal place of business is located, within thirty days after the taxpayer has received notice from the commissioner of the commissioner's determination as provided for in section 57-39.2-15. The appeal must be taken pursuant to and in accordance with chapter 28-32.

57-39.2-17. Service of notice.

Any notice, except notice of appeals, authorized or required under the provisions of this chapter may be given by mailing the same to the person for whom it is intended by registered or certified mail addressed to such person at the address given in the last return filed by that

person pursuant to the provisions of this chapter, or if no return has been filed, then such address as may be obtainable. The mailing of such notice is presumptive evidence of the receipt of the same by the person to whom addressed. Any period of time which is determined according to the provisions of this chapter by giving of notice commences to run from the date of registration and posting of such notice.

57-39.2-18. Penalties - Offenses.

1. a. If any person fails to file a return or corrected return or to pay any tax within the time required by this chapter or, if upon audit, is found to owe additional tax, the person is subject to interest of one percent of the tax per month or fraction of a month of delay except the first month after the return or the tax became due.
b. In addition to the tax and interest prescribed in this chapter, a taxpayer is subject to penalties as follows:
 - (1) If any taxpayer, without intent to evade any tax imposed by this chapter, fails to file a return, on or before the prescribed or extended due date, a penalty equal to five percent of the tax required to be reported, or five dollars, whichever is greater, must be added if the failure is for not more than one month, counting each fraction of a month as an entire month, with an additional five percent for each additional month or fraction of a month during which the failure continues, not exceeding twenty-five percent in the aggregate.
 - (2) If any taxpayer, without intent to evade any tax imposed by this chapter, fails to pay the amount shown as tax due on any return, filed on or before the prescribed or extended due date, a penalty of five percent of the tax due, or five dollars, whichever is greater, must be added to the tax.
 - (3) If upon audit of a taxpayer's return an additional tax is found to be due, penalty as prescribed in subdivision a or b must be added to the tax.
 - (4) The commissioner, if satisfied that the delay was excusable, may waive, and if paid, refund all or any part of the penalty and interest. The penalty and interest must be paid to the commissioner and disposed of in the same manner as other receipts under this chapter. Unpaid penalties and interest may be enforced in the same manner as the tax imposed by this chapter.
2. Any person who sells tangible personal property, tickets or admissions to places of amusement, and athletic events, or steam, gas, and communication service at retail in this state after that person's permit shall have been revoked, or without procuring a permit as provided in section 57-39.2-14, or who violates section 57-39.2-09, and the officers of any corporation or the managers of any limited liability company who so acts, is guilty of a class A misdemeanor.
3. Repealed by S.L. 1975, ch. 106, § 673.
4. The certificate of the commissioner to the effect that a tax has not been paid, that a return has not been filed, or that information has not been supplied pursuant to the provisions of this chapter, shall be prima facie evidence thereof.
5. Any person failing to comply with any of the provisions of this chapter, or failing to remit within the time herein provided to the state the tax due on any sale or purchase of tangible personal property subject to said sales tax, shall be guilty of a class A misdemeanor.

57-39.2-18.1. Corporate officer liability.

1. If a corporation required to hold a permit issued under this chapter fails for any reason to file the required returns or to pay the tax due, the president, vice president, secretary, or treasurer of the corporation, jointly or severally, having control, or supervision of, or charged with the responsibility for making the returns and payments are personally liable for the failure. The dissolution of a corporation shall not discharge an officer's liability for a prior failure of the corporation to make a return or remit the tax due. The sum due for the liability may be assessed and collected pursuant to the provisions of this chapter for the assessment and collection of other liabilities.

2. If the corporate officers elect not to be personally liable for the failure to file the required returns or to pay the tax due, the corporation must be required to make a cash deposit or post with the tax commissioner a bond or undertaking executed by a surety company authorized to do business in this state. The cash deposit, bond, or undertaking provided for in this section must be in an amount equal to the estimated annual sales tax liability of the corporation.

57-39.2-19. Commissioner to administer chapter.

The commissioner is hereby charged with the administration of this chapter and the taxes imposed thereby. Such commissioner may prescribe all rules and regulations not inconsistent with the provisions of this chapter, necessary and advisable for its detailed administration and to effectuate the purposes, including the right to provide for the issuance and sale by the state of coupons covering the amount of tax or taxes to be paid under this chapter, if such method is deemed advisable by said commissioner.

57-39.2-20. Tax, penalties, and other charges paid to commissioner - Disposition.

All fees, taxes, penalties, and other charges imposed and collected under this chapter must be paid to the commissioner in the form of a remittance payable to the commissioner, who shall transmit each payment monthly to the state treasurer to be deposited in the state treasury to the credit of the general fund.

57-39.2-21. General powers.

1. The commissioner, for the purpose of ascertaining the correctness of any return or for the purpose of making an estimate of the taxable income and receipts of any taxpayer, has power to examine or cause to be examined by any agent or representative designated by the commissioner books, papers, records, or memoranda; to require by subpoena the attendance and testimony of witnesses; to issue and sign subpoenas; to administer oaths; to examine witnesses and receive evidence; and to compel witnesses to produce for examination books, papers, records, and documents relating to any matter which the commissioner has the authority to investigate or determine.
2. If the commissioner finds the taxpayer has made a fraudulent return, the costs of said hearing must be taxed to the taxpayer. In all other cases the cost must be paid by the state.
3. The fees and mileage to be paid witnesses and taxed as costs must be the same as prescribed by law in proceedings in the district court of this state in civil cases. All costs must be taxed in the manner provided by law in proceedings in civil cases. When the costs are taxed to the taxpayer, they must be added to the taxes assessed against said taxpayer and must be collected in the same manner. Costs taxed to the state must be certified by the commissioner to the state treasurer, who shall issue warrants for the amount of said costs.
4. In cases of disobedience to a subpoena, the commissioner may invoke the aid of any court of competent jurisdiction in requiring the attendance and testimony of witnesses and production of records, books, papers, and documents, and such court may issue an order requiring the person to appear before the commissioner and give evidence or produce records, books, papers, and documents, as the case may be, and any failure to obey such order of court may be punished by the court as contempt thereof.
5. Testimony on hearings before the commissioner may be taken by a deposition as in civil cases, and any person may be compelled to appear and depose in the same manner as witnesses may be compelled to appear and testify as hereinbefore provided.

57-39.2-22. Commissioner may appoint agents and employees - Compensation - Bond.

1. The commissioner may appoint such agents, auditors, clerks, and employees as the commissioner deems necessary, fix their salaries and compensation and prescribe

their duties and powers, and may remove such persons so appointed. Each auditor appointed by the commissioner must have had at least three years' experience, or the education equivalent thereof, in the auditing and checking of books of account.

2. All such agents and employees must be allowed such reasonable and other necessary traveling expenses as may be incurred in the performance of their duties not to exceed, however, such amounts as are now or may hereafter be fixed by law.
3. The commissioner may require such of the officers, agents, and employees as the commissioner designates to give bond for the faithful performance of the duties in such sum and such sureties as the commissioner determines and the state shall pay the premiums on such bonds.
4. The commissioner may utilize the office of the treasurer of the various counties in order to administer this chapter and effectuate its purposes and may appoint the treasurers of the various counties as the commissioner's agents to collect any or all of the taxes imposed by this chapter. No additional compensation may be paid to said treasurer by reason thereof.

57-39.2-23. Information deemed confidential - Certain releases of information authorized.

Except as provided by law:

1. a. The commissioner or an individual having an administrative duty under this chapter may not divulge or make known in any manner whatever the business affairs, operations, or information obtained from any person under any reporting requirement of this chapter, or by an investigation of any person in the discharge of official duty, or the amount or sources of income, profits, losses, expenditures, or any particulars set forth or disclosed in any return, or permit any return or copy or any book containing any abstract of particulars to be seen or examined by any individual.
 - b. A court of competent jurisdiction may issue an order or subpoena directing the tax commissioner to disclose state tax return information to a local, state, or federal law enforcement official conducting a criminal investigation if the court determines that the facts submitted by the applicant satisfy the following:
 - (1) There is probable cause to believe that a specific criminal act has been committed and that the return or return information constitutes evidence of a criminal offense or may be relevant to a matter relating to the commission of the criminal offense;
 - (2) The return or return information is sought exclusively for use in a criminal investigation or proceeding concerning such act; and
 - (3) The information sought to be disclosed cannot reasonably be obtained under the circumstances, from another source.
 - c. Before obtaining an order under this subsection, a law enforcement official may request information from the tax commissioner as to whether a taxpayer, which is the subject of a criminal investigation for which a return or return information is or may be relevant to the commission of a criminal offense, has complied with the requirements of this chapter. For purposes of this request, the tax commissioner is limited to stating that the taxpayer has or has not complied with these requirements.
 - d. Except as required during court proceedings, tax return information disclosed to law enforcement under this section remains confidential during an active criminal investigation, after the investigation, after prosecution concludes, or until the time period for appeals has expired, whichever is later.
2. The commissioner may authorize examination of those returns by other state officers and at the commissioner's discretion furnish to the tax officials of other states, the multistate tax commission, and the United States any information contained in the tax returns and reports and related schedules and documents filed under this chapter, and in the related report of an audit or investigation, if the information is furnished solely for

- tax purposes. The multistate tax commission may make the information available to the tax officials of any other state and the United States for tax purposes.
3. The commissioner may furnish to workforce safety and insurance, the job insurance division of job service North Dakota, and the secretary of state, upon request of the respective agency, a list or lists of holders of permits issued under this chapter or chapter 57-40.2, together with the addresses and tax department file identification numbers of those permitholders. The agency may use the list or lists only for the purpose of administering the duties of the agency. The commissioner may furnish to the unclaimed property division of the board of university and school lands, upon its request, the name, address, and the permitholder's federal identification number for the sole purpose of identifying the owner of an unclaimed voucher authorized by the commissioner.
 4. The commissioner may furnish to a state agency or private entity a list of names and addresses of holders of permits issued under this chapter or chapter 57-40.2 for the purpose of jointly publishing or distributing publications or other information under section 54-06-04.3. Any information provided may only be used for the purpose of jointly publishing or distributing publications or other information as provided in section 54-06-04.3.
 5.
