

CHAPTER 34-07 CHILD LABOR

34-07-01. Employment of minor under fourteen years of age prohibited.

No minor under fourteen years of age may be employed or permitted to work in any occupation except farm labor, domestic service, or in the employment of, and under the direct supervision of, that minor's parent, guardian, or grandparent. Domestic service includes services of a household nature performed by an employee in or about a private home of the employer. No minor under fourteen years of age may be employed in any business or service whatever during any part of the hours when the public schools of the district in which the minor resides are in session.

34-07-02. Certificate of employment required - Inspection - List of minors employed to be kept.

A minor fourteen or fifteen years of age may not be employed or permitted to work in any occupation except farm labor, domestic service, or in the employment of, and under the direct supervision of, the minor's parent or guardian unless the minor is exempt from compulsory school attendance under subdivisions b, c, and d of subsection 1 of section 15.1-20-02 or unless the minor has an employment certificate signed by the minor's parent or guardian in accordance with the provisions of this chapter. Any person, firm, corporation, or limited liability company employing a minor must keep on file a completed employment certificate, for each minor, as provided in this chapter. The employment certificate must be accessible to inspection by the principal of the school which the minor attends, a principal in the municipality in which the minor resides, or the labor commissioner or the commissioner's agent or representative.

34-07-03. Question of age of minor employee - Who may raise - Duties of employer - Evidence required.

Any person, firm, corporation, or limited liability company employing a minor who appears to be under the age of sixteen years and for whom an employment certificate is not filed as required by the provisions of this chapter, either shall furnish satisfactory evidence that such minor is sixteen years of age or older or shall cease to employ such minor or to permit the minor to work in such employment immediately after a demand is made upon the employer to do so by:

1. The principal of the school which the minor attends or a principal in the municipality in which the minor resides;
2. The labor commissioner or the commissioner's agent or representative; or
3. Any other officer charged with the enforcement of child labor, compulsory school attendance, or other child welfare laws.

The officer making such demand may require the same evidence, and only the same evidence, of age of the minor as is required on the issuance of an employment certificate under the provisions of this chapter.

34-07-04. Noncompliance with demand - Prima facie evidence in prosecution.

If it is proved in any prosecution for a violation of the provisions of this chapter that a demand was made by a proper officer upon the person, firm, corporation, or limited liability company named as defendant in such prosecution, that such demand was in accordance with the provisions of section 34-07-03, and that the defendant in such prosecution failed within the time therein limited to comply therewith, such failure constitutes prima facie evidence that the minor for the employment of whom the prosecution was instituted was under sixteen years of age at the time of such employment and was unlawfully employed.

34-07-05. Who may issue certificates - Where certificates may be obtained.

An employment certificate must be in writing and must be issued by the minor's parent or guardian. The parent or guardian who certifies, or rejects, the employment certificate must file a completed copy with the department of labor and human rights, the employer, the principal of

the school which the minor attends, or a principal in the municipality in which the minor resides, within ten days of certification or rejection. No employment certificate is required for any minor then in, or who is about to enter, the minor's own employment or the employment of a firm, corporation, or limited liability company of which the minor is a member, officer, or manager. The labor commissioner shall make the certificates of employment available.

34-07-06. Evidence of age of minor.

The age of a minor who desires an employment certificate must be proved by:

1. A certificate of proof of birth issued by the state registrar of vital statistics; or
2. Documentary evidence satisfactory to the labor commissioner, such as a certificate of arrival in the United States issued by the United States immigration officers and showing the age of the child, a passport showing the age of the child, a valid driver's license, a baptismal certificate, or a life insurance policy. Such other satisfactory documentary evidence must have been in existence for at least one year, and in the case of a life insurance policy, for at least four years.

Repealed by S.L. 1993, ch. 351, § 16.

34-07-11. Requirements for certificate for school term but not during daily session - Truant or deficient minor not to be employed.

A certificate permitting the employment of a minor during the school term, but not during the daily period of the school session, may be granted if such minor maintains a passing grade in all studies pursued by the minor in such school. No minor may be employed who at the time is guilty of truancy or of deficiency in studies, as determined by the minor's parent or guardian, or the principal of the school which the minor attends, or a principal in the municipality in which the minor resides, or the labor commissioner or the commissioner's agent or representative.

34-07-12. Contents of employment certificate.

The employment certificate must state the date of birth of the minor, a description of the job duties and responsibilities of the minor, and must also be signed by the minor's parent or guardian and the employer.

34-07-13. Certificate returned to officer issuing the same upon termination of employment - New certificate.

Repealed by S.L. 1993, ch. 351, § 16.

34-07-14. Revocation of certificate - Notice - Return of revoked certificate.

Whenever it appears to the minor's parent or guardian, or the principal of the school which the minor attends, a principal in the municipality in which the minor resides, or the labor commissioner or the commissioner's agent or representative who issued an employment certificate, or to the person's successor, that such certificate has been improperly or illegally issued or that the physical or moral welfare of the minor would be best served by the revocation of the certificate, such certificate may be revoked. The revoking officer shall give notice of the

revocation by registered or certified mail to the person employing such minor and to the minor holding the certificate. Immediately upon receiving notice of the revocation of the certificate, the employer shall return the revoked certificate to the officer revoking the same and shall discontinue the employment of the minor. Revocation of a permit must be registered with the labor commissioner or the commissioner's agent within ten days.

34-07-15. Maximum hours of labor of minors fourteen or fifteen years of age - Notice to be posted.

1. A minor fourteen or fifteen years of age may not be employed or permitted to work at any occupation, except in sports-attendant services, in domestic services, and at farm labor, before the hour of seven a.m. nor after the hour of seven p.m., except that these hours are seven a.m. to nine p.m. from June first through labor day, nor more than eighteen hours during schoolweeks, nor more than three hours on schooldays, nor more than forty hours during nonschoolweeks, nor more than eight hours on nonschooldays. A schoolweek is considered to be any week Sunday through Saturday in which a youth is required to be in attendance, for any period of time, four or more days. Provided, however, that the limitations restricting hours of work during schoolweeks and schooldays do not apply to minors who are not attending school because they are excepted from compulsory school attendance by subdivisions b, c, and d of subsection 1 of section 15.1-20-02.
2. Every employer shall post, in a conspicuous place where minors are employed, a printed notice stating the hours of work required of the minors each day of the week, the hours of commencing and stopping work, and the hours allowed for dinner or other meals. The printed form of the notice must be furnished by the labor commissioner. The employment of any minor for a longer period than that stated in the notice is a violation of this chapter.

This section does not prevent the education of a minor in music nor the employment of a minor as a singer or musician in a church, school, or academy, or in any school or home talent exhibition given by the people of a local community.

34-07-17. Permit to work in theater or place of amusement.

A minor under sixteen years of age may be employed to act or perform in a theater or place of amusement if a permit so to do is obtained from the minor's parent or guardian and the labor commissioner or the commissioner's agent or representative, if such person decides that the appearance of such minor will not be detrimental to the minor's morals, health, safety, welfare, or education.

34-07-17.2. Minors working in hazardous occupations.

A minor who is at least sixteen years of age may be employed or permitted to work in a hazardous occupation if the minor is in a registered apprenticeship program or is a student learner of an approved career and technical education program. Under this section, a parental signature is required for the minor to participate as an apprentice or student learner. This section does not limit the ability of a minor who is at least sixteen years of age to work in an occupation already permitted by law.

34-07-18. Inspection of factories and establishments by peace officers - Report - Complaints.

Peace officers may visit any business establishments within their several jurisdictions to ascertain whether any minors are employed therein contrary to the provisions of this chapter. The peace officers shall report all cases of illegal employment to the labor commissioner. Complaints for offenses under this chapter may be made by any peace officer or by any other person cognizant of the facts.
