(a)(1) Except as provided in subsection (b), if a dependent accompanying a member of the uni-

On his recovery or when it is administratively determined that the patient should be removed from the medical facility involved, the dependent may be transported at the expense of the United States to the duty station of the member or to such other place determined to be appropriate under the circumstances. If a dependent is unable to travel unattended, round-trip transportation and travel expenses may be furnished necessary attendants. In addition to transportation of a dependent at the expense of the United States authorized under this subsection, reasonable travel expenses incurred in connection with the transportation of the dependent may be paid at the expense of the United States. (E) The Secretary may not provide transportation to a dependent under this paragraph if the Secretary determines that—

- (i) the dependent would otherwise receive obstetrical anesthesia services at a military treatment facility; and
