(2) Any sharing of information under paragraph (1) shall occur pursuant to a protocol jointly established by the Secretary of Defense and the Secretary of Veterans Affairs for purposes of this subsection. Any such protocol shall be consistent with the following:

(A) A member who is on active duty for a period of more than 30 days or died while on that duty.

(C) A member who died from an injury, illness, or disease incurred or aggravated in the line of duty while the member remained overnight immediately before the commencement of inactive-duty training, or while the member remained overnight between successive periods of inactive-duty training, at or in the vicinity of the site of the inactive-duty training.

(D) A member on active duty who is entitled to benefits under subsection (e) of section 1074a of this title by reason of paragraph (1), (2), or (3) of subsection (a) of such section.

(b) Under regulations to be prescribed jointly by the administering Secretaries, a dependent of a member or former member—

(1) who is, or (if deceased) was at the time of his death, entitled to retired or retainer pay or equivalent pay; or

(2) who died before attaining age 60 and at the time of his death would have been eligible for retired pay under chapter 1223 of this title (or under chapter 67 of this title as in effect before December 1, 1994) but for the fact that he was under 60 years of age;
