Those regulations shall be uniform for the military departments and shall require that, in the case of children who attend the centers on a regular basis, the fees shall be based on family income.

(b) LOCAL WAIVER AUTHORITY.—The Secretary of Defense may provide authority to installation commanders, on a case-by-case basis, to establish fees for attendance of children at child development centers at rates lower than those prescribed under subsection (a) if the rates prescribed under subsection (a) are not competitive with rates at local non-military child development centers.

(a) CHILD ABUSE TASK FORCE.—The Secretary of Defense shall maintain a special task force to respond to allegations of widespread child abuse at a military installation. The task force shall be composed of personnel from appropriate disciplines, including, where appropriate, medicine, psychology, and childhood development. In the case of such allegations, the task force shall provide assistance to the commander of the installation, and to parents at the installation, in helping them to deal with such allegations.

(b) NATIONAL HOTLINE.—(1) The Secretary of Defense shall maintain a national telephone number for persons to use to report suspected child abuse or safety violations at a military child development center or family home day care site. The Secretary shall ensure that such reports may be made anonymously if so desired by the person making the report. The Secretary shall establish procedures for following up on complaints and information received over that number.

(2) The Secretary shall publicize the existence of the number.

At least one inspection a year shall be carried out by a representative of the installation served by the center, and one inspection a year shall be carried out by a representative of the major command under which that installation operates.

(2) In the case of a violation that is not life threatening, the commander of the major command under which the installation concerned operates may waive the requirement that the violation be remedied immediately for a period of up to 90 days beginning on the date of the discovery of the violation. If the violation is not remedied as of the end of that 90-day period, the military child development center shall be closed until the violation is remedied. The Secretary of the military department concerned may waive the preceding sentence and authorize the center to remain open in a case in which the violation cannot reasonably be remedied within that 90-day period or in which major facility reconstruction is required.
