### § 2634. Motor vehicles: transportation or storage for members on change of permanent station or extended deployment

(a) When a member of an armed force is ordered to make a change of permanent station, one motor vehicle that is owned or leased by the member (or a dependent of the member) and is for the personal use of the member or his dependents may, unless a motor vehicle owned or leased by him (or a dependent of his) was transported in advance of that change of permanent station under section 476(h) of title 37, be transported, at the expense of the United States, to his new station or such other place as the Secretary concerned may authorize—

(1) on a vessel owned, leased, or chartered by the United States;

(2) by privately owned American shipping services;

(3) by foreign-flag shipping services if shipping services described in clauses (1) and (2) are not reasonably available; or

(4) by other surface transportation if such means of transport does not exceed the cost to the United States of other authorized means.

When the Secretary concerned determines that a replacement for that motor vehicle is necessary for reasons beyond the control of the member and is in the interest of the United States, and he approves the transportation in advance, one additional motor vehicle of the member (or a dependent of the member) may be so transported.

(b)(1) When a member receives a vehicle storage qualifying order, the member may elect to have a motor vehicle described in subsection (a) stored at the expense of the United States at a location approved by the Secretary concerned. In the case of a vehicle storage qualifying order that is to make a change of permanent station, such storage is in lieu of transportation authorized by subsection (a).

(2) In this subsection, the term “vehicle storage qualifying order” means any of the following:

(A) An order to make a change of permanent station to a foreign country in a case in which the laws, regulations, or other restrictions imposed by the foreign country or by the United States either—

(i) preclude entry of a motor vehicle described in subsection (a) into that country; or

(ii) would require extensive modification of the vehicle as a condition to entry.

(B) An order to make a change of permanent station to a nonforeign area outside the continental United States in a case in which the laws, regulations, or other restrictions imposed by that area or by the United States either—

(i) preclude entry of a motor vehicle described in subsection (a) into that area; or

(ii) would require extensive modification of the vehicle as a condition to entry.
