required, since, upon enactment of this title, laws referring to the limited or unlimited retired list will be expressly repealed.

In subsection (b), the word "shall" is substituted for the word "may", since 10:1036 further requires that such a list be published annually in the Register. The requirement as to publication necessarily implies that the list must be maintained.

Subsection (b)(1) is substituted for the words "all commissioned officers and former commissioned officers * * * or the Air Force of the United States, as the case may be * * * or the Regular Air Force, heretofore or hereafter granted retirement pay under sections 456, 456a, and 1036a of this title, or any law hereafter enacted to provide retirement pay for commissioned officers * * * or the Regular Air Force".

In subsection (b)(2), the words "who is advanced to a commissioned grade" are substituted for the words "heretofore or hereafter retired under any provision of law who, by reason of service in temporary commissioned grades * * * or the Air Force of the United States, or in any of the respective components thereof, are entitled to be retired with commissioned rank or grade"

Subsections (c) and (d) are inserted, since sections 8964 and 8965 of this title refer to service on the retired list as a warrant officer or enlisted member.

Revised section	Source (U.S. Code)	Source (Statutes at Large)
8966(a)	10 App.:1001.	July 24, 1956, ch. 677,
8966(b)	10 App.:1036.	§ 2(f), (g), 70 Stat. 623.

AMENDMENTS

1987—Subsec. (b)(2). Pub. L. 100–180 struck out "Regular" before "Air Force".

1958—Pub. L. 85-861 struck out provisions in subsecs. (a) and (b) which required annual publication in official Air Force Register of the retired list.

CHAPTER 871—COMPUTATION OF RETIRED PAY

Sec.

8991. Computation of retired pay.

8992. Recomputation of retired pay to reflect ad-

vancement on retired list.

§8991. Computation of retired pay

- (a) COMPUTATION.—
- (1) FORMULA.—The monthly retired pay of a member entitled to such pay under this subtitle is computed by multiplying—
 - (A) the member's retired pay base (as computed under section 1406(e) or 1407 of this title), by
 - (B) the retired pay multiplier prescribed in section 1409 of this title for the number of years credited to the member under section 1405 of this title.
- (2) Additional 10 percent for certain enlisted members credited with extraordinary heroism.—If a member who is retired under section 8914 of this title has been credited by the Secretary of the Air Force with extraordinary heroism in the line of duty, the member's retired pay shall be increased by 10 percent of the amount determined under paragraph (1) (but to not more than 75 percent of the retired pay base upon which the computation of such retired pay is based). The Secretary's determination as to extraordinary heroism is conclusive for all purposes.
- (b) GENERAL RULES.—

- (1) USE OF MOST FAVORABLE FORMULA.—If a person would otherwise be entitled to retired pay computed under more than one formula in subsection (a) or the table in section 1401 of this title, he is entitled to be paid under the applicable formula that is most favorable to him.
- (2) ROUNDING TO NEXT LOWER DOLLAR.—The amount computed under subsection (a), if not a multiple of \$1, shall be rounded to the next lower multiple of \$1.
- (c) Special Rule for Retired Reserve En-LISTED MEMBERS COVERED BY SECTION 8963.—In the case of a Reserve enlisted member retired under section 8914 of this title whose retired grade is determined under section 8963 of this title and who first became a member of a uniformed service before September 8, 1980, the retired pay base of the member (notwithstanding section 1406(a)(1) of this title) is the amount of the monthly basic pay of the member's retired grade (determined based upon the rates of basic pay applicable on the date of the member's retirement), and that amount shall be used for the purposes of subsection (a)(1)(A) rather than the amount computed under section 1406(e) of this title.
