EFFECTIVE DATE OF 2009 AMENDMENT

Amendment by Pub. L. 111-16 effective Dec. 1, 2009, see section 7 of Pub. L. 111-16, set out as a note under section 109 of this title.

§ 750. Distribution of securities

The trustee may not distribute a security except under section 751 of this title.

(Pub. L. 95-598, Nov. 6, 1978, 92 Stat. 2614.)

HISTORICAL AND REVISION NOTES

SENATE REPORT NO. 95-989

Section 750 forbids the trustee from distributing a security other than a customer name security. The term “distribution” refers to a distribution to customers in satisfaction of net equity claims and is not intended to preclude the trustee from liquidating securities under proposed 11 U.S.C. 748.

§ 751. Customer name securities

The trustee shall deliver any customer name security to or on behalf of the customer entitled to such security, unless such customer has a negative net equity. With the approval of the trustee, a customer may reclaim a customer name security after payment to the trustee, within such period as the trustee allows, of any claim of the debtor against such customer to the extent that such customer will not have a negative net equity after such payment.

(Pub. L. 95-598, Nov. 6, 1978, 92 Stat. 2614.)

HISTORICAL AND REVISION NOTES

SENATE REPORT NO. 95-989

Section 751 requires the trustee to deliver a customer name security to the customer entitled to such security unless the customer has a negative net equity. The customer's net equity will be negative when the amount owed by the customer to the stockbroker exceeds the liquidation value of the non-customer name securities in the customer's account. If the customer is a net debtor of the stockbroker, then the trustee may permit the customer to repay debts to the stockbroker so that the customer will no longer be in debt to the stockbroker. If the customer refuses to pay such amount, then the court may order the customer to endorse the security in order that the trustee may liquidate such property.

§ 752. Customer property

(a) The trustee shall distribute customer property ratably to customers on the basis and to the extent of such customers' allowed net equity claims and in priority to all other claims, except claims of the kind specified in section 507(a)(2) of this title that are attributable to the administration of such customer property.

(b)(1) The trustee shall distribute customer property in excess of that distributed under sub-

section (a) of this section in accordance with section 726 of this title.

(2) Except as provided in section 510 of this title, if a customer is not paid the full amount of such customer's allowed net equity claim from customer property, the unpaid portion of such claim is a claim entitled to distribution under section 726 of this title.

(c) Any cash or security remaining after the liquidation of a security interest created under a security agreement made by the debtor, excluding property excluded under section 741(4)(B) of this title, shall be apportioned between the general estate and customer property in the same proportion as the general estate of the debtor and customer property were subject to such security interest.

(Pub. L. 95-598, Nov. 6, 1978, 92 Stat. 2614; Pub. L. 97-222, §15, July 27, 1982, 96 Stat. 238; Pub. L. 98-353, title III, §484, July 10, 1984, 98 Stat. 383; Pub. L. 109-8, title XV, §1502(a)(3), Apr. 20, 2005, 119 Stat. 216.)

HISTORICAL AND REVISION NOTES

SENATE REPORT NO. 95-989

Section 752(a) requires the trustee to distribute customer property to customers based on the amount of their net equity claims. Customer property is to be distributed in priority to all claims except expenses of administration entitled to priority under §507(1). It is anticipated that the court will apportion such administrative claims on an equitable basis between the general estate and the customer property of the debtor.

Subsection (b)(1) indicates that in the event customer property exceeds customers net equity claims and administrative expenses, the excess pours over into the general estate. This event would occur if the value of securities increased dramatically after the order for relief but before liquidation by the trustee. Subsection (b)(2) indicates that the unpaid portion of a customer's net equity claim is entitled to share in the general estate as an unsecured claim unless subordinated by the court under proposed 11 U.S.C. 501. A net equity claim of a customer that is subordinated under section 747 is entitled to share in distribution under section 726(a)(2) unless subordinated under section 510 independently of the subordination under section 747.

Subsection (c) provides for apportionment between customer property and the general estate of any equity of the debtor in property remaining after a secured creditor liquidates a security interest. This might occur if a stockbroker hypothecates securities of his own and of his customers if the value of the hypothecated securities exceeds the debt owed to the secured party. The apportionment is to be made according to the ratio of customer property and general property of the debtor that comprised the collateral. The subsection refers to cash and securities of customers to include any customer property unlawfully converted by the stockbroker in the course of such a transaction. The apportionment is made subject to section 741(4)(B) to insure that property in a customer's account that is owed to the stockbroker will not be considered customer property. This recognizes the right of the stockbroker to withdraw money that has been erroneously placed in a customer's account or that is otherwise owing to the stockbroker.
