Whenever he determines such action to be necessary in furtherance of the purposes set forth in section 501 of the Emergency Home Finance Act of 1970, the Secretary is authorized to make, and to contract to make, periodic assistance payments on behalf of families of middle income. The assistance shall be accomplished through interest subsidy payments to the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation (hereinafter referred to as “the investor”) with respect to mortgages meeting the special requirements specified in this section and made after July 24, 1970.

(b) Qualifications of mortgagor for assistance payments

To qualify for assistance payments a middle-income family shall be a mortgagor under a mortgage which is (1) insured under subsection (j) of this section, (2) guaranteed under chapter 37 of title 38, or (3) a conventional mortgage meeting the requirements of subsection (j)(3) of this section. In addition to the foregoing requirement, the Secretary may require that the mortgagor have an income, at the time of acquisition of the property, of not more than the median income for the area in which the property is located, as determined by the Secretary, with appropriate adjustments for smaller and larger families.

(c) Termination of interest subsidy payments

The interest subsidy payments authorized by this section shall cease when (1) the mortgagor no longer occupies the property which secures the mortgage, (2) the mortgages are no longer held by the investor, or (3) the rate of interest paid by the mortgagor reaches the rate of interest specified on the mortgage.

(d) Monthly mortgage payments as determining eligibility for interest subsidy payments; mortgage assistance payments for middle-income cooperative members; interest subsidy payments; applicability of provisions to cooperative mortgagors

As used in this subsection, the term "monthly homeownership expense" includes the monthly payment for principal, interest, mortgage insurance premium, insurance, and taxes due under the mortgage.

(2) In addition to the mortgages eligible for assistance under paragraph (1) of this subsection, the Secretary is authorized to make periodic assistance payments on behalf of cooperative members of middle income. Such assistance payments shall be accomplished through interest subsidy payments to the investor with respect to mortgages insured (subsequent to July 24, 1970) under section 1715e of this title which are executed by cooperatives, the membership in which is limited to middle-income families. For purposes of this paragraph—

(e) Amount of interest subsidy payments

The interest subsidy payments shall be in an amount equal to the difference, as determined by the Secretary, between the total amount of interest per calendar quarter received by the investor on mortgages assisted under this section and purchased by it and the total amount of interest which the investor would have received if the yield on such mortgages was equal to the sum of (1) the average costs (expressed as an annual percentage rate) to it of all borrowed funds outstanding in the immediately preceding calendar quarter, and (2) such per centum per annum as will provide for administrative and other expenses of the investor and a reasonable economic return, as determined by the Secretary to be necessary and appropriate taking

into account the purpose of this section to provide additional mortgage credit at reasonable rates of interest to middle-income families.

(f) Adoption of procedures for recertifications of mortgagor's income

Procedures shall be adopted by the Secretary for recertifications of the mortgagor's income at intervals of two years (or at shorter intervals where the Secretary deems it desirable) for the purpose of adjusting the amount of the mortgagor's payments pursuant to subsection (d) of this section.

(g) Regulations to assure that sales price or other consideration paid is not increased above appraised value

The Secretary shall prescribe such regulations as he deems necessary to assure that the sales price of, or other consideration paid in connection with, the purchase by a homeowner of the property with respect to which assistance payments are to be made is not increased above the appraised value on which the maximum mortgage which the Secretary will insure is computed.

(h) Authorization of appropriations; aggregate amount of assistance payment contracts; termination date

(1) There are authorized to be appropriated such sums as may be necessary to enable the Secretary to make interest subsidy payments under contracts entered into under this section. The aggregate amount of contracts to make such payments shall not exceed amounts approved in appropriation Acts, and payments pursuant to such contracts shall not exceed \$105,000,000 during the first year of such contracts prior to July 1, 1971, which amount shall be increased by an additional \$105,000,000 during the first year of an additional number of such contracts on July 1 of each of the years 1971 and 1972.

(2) No interest subsidy payments under this section shall be made after June 30, 1973, except pursuant to contracts entered into on or before such date.

(i) Determination of family income; exclusion of income of minors

In determining the income of any family for the purposes of this section, income from all sources of each member of the family in the household shall be included, except that the Secretary shall exclude income earned by any minor person.

(j) Insurance of mortgages executed by mortgagors meeting eligibility requirements for assistance payments; issuance of commitment; eligibility requirements for insurance

(1) The Secretary is authorized, upon application by the mortgagee, to insure a mortgage executed by a mortgagor who meets the eligibility requirements for assistance payments prescribed by the Secretary under subsection (b) of this section. Commitments for the insurance of such mortgages may be issued by the Secretary prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe.

(2) To be eligible for insurance under this subsection, a mortgage shall meet the requirements

of section 1715l(d)(2) or 1715y(c) of this title, except as such requirements are modified by this subsection: *Provided, however*, That in the discretion of the Secretary 25 per centum of the authority conferred by this section and subject to all the terms thereof may be used for mortgages on existing housing.

(3) A mortgage to be insured under this section shall—

(i) involve a single-family dwelling which has been approved by the Secretary prior to the beginning of construction, or a one-family unit in a condominium project (together with an undivided interest in the common areas and facilities serving the project) which is released from a multifamily project, the construction of which has been completed within two years prior to the filing of the application for assistance payments with respect to such family unit and the unit shall have had no previous occupant other than the mortgagor;

(ii) involve a single-family dwelling whose appraised value, as determined by the Secretary, is not in excess of \$20,000 (which amount may be increased by not more than 50 per centum in any geographical area where the Secretary authorizes an increase on the basis of a finding that the cost level so requires); and

(iii) be executed by a mortgagor who shall have paid in cash or its equivalent on account of the property (A) 3 per centum of the first \$15,000 of the appraised value of the property, (B) 10 per centum of such value in excess of \$15,000 but not in excess of \$25,000, and (C) 20 per centum of such value in excess of \$25,000.

(June 27, 1934, ch. 847, title II, §243, as added Pub. L. 91-351, title V, §502, July 24, 1970, 84 Stat. 458; amended Pub. L. 98-479, title II, §204(a)(14), (15), Oct. 17, 1984, 98 Stat. 2232.)

Section 501 of the Emergency Home Finance Act of 1970, referred to in subsec. (a), is section 501 of Pub. L. 91-351, which is set out as a note below.

AMENDMENTS

1984—Subsec. (d)(2). Pub. L. 98-479, §204(a)(14), redesignated subpars. (1), (2), and (3) as subpars. (A), (B), and (C), respectively.

CONGRESSIONAL FINDINGS AND DECLARATION OF PURPOSE

Section 501 of Pub. L. 91-351 provided that: “The Congress finds that—

“(1) periodic episodes of monetary stringency and high interest rates make it extremely difficult for families of middle income to obtain mortgage credit at rates which they can afford to pay;

“(2) periods of monetary stringency and high interest rates are directly related to the Government’s monetary and fiscal policies;

“(3) a disproportionate share of the burden of sustaining these anti-inflationary policies of the Government falls on families of middle income who are buyers or prospective buyers of homes; and

“(4) the Government has a responsibility to lessen the disproportionate burden which such families bear as a result of such policies.

It is the purpose of this title [enacting this section, and amending sections 1715z-3 and 1719 of this title] to provide, during periods of high mortgage interest rates, a

source of mortgage credit for such families which is within their financial means.”

§ 1715z-9. Co-insurance of eligible mortgage, advance, or loan

(a) Authority of Secretary; request of mortgagee; premium charges; provisions of contract of co-insurance; non-applicability of state insurance laws

In addition to providing insurance as otherwise authorized under this chapter, and notwithstanding any other provision of this chapter inconsistent with this section, the Secretary, upon request of any mortgagee and for such mortgage insurance premium as he may prescribe (which premium, or other charges to be paid by the mortgagor, shall not exceed the premium, or other charges, that would otherwise be applicable), may insure and make a commitment to insure under any provision of this subchapter any mortgage, advance, or loan otherwise eligible under such provision, pursuant to a co-insurance contract providing that the mortgagee will—

(1) assume a percentage of any loss on the insured mortgage, advance, or loan in direct proportion to the amount of the co-insurance, which co-insurance shall not be less than 10 per centum, subject to any reasonable limit or limits on the liability of the mortgagee that may be specified in the event of unusual or catastrophic losses that may be incurred by any one mortgagee; and

(2) carry out (under a delegation or otherwise and with or without compensation but subject to audit, exception, or review requirements) such credit approval, appraisal, inspection, commitment, property disposition, or other functions as the Secretary, pursuant to regulations, shall approve as consistent with the purposes of this chapter.

Any contract of co-insurance under this section shall contain such provisions relating to the sharing of premiums on a sound actuarial basis, establishment of mortgage reserves, manner of calculating insurance benefits, conditions with respect to foreclosure, handling and disposition of property prior to claim or settlement, rights of assignees (which may elect not to be subject to the loss sharing provisions), and other similar matters as the Secretary may prescribe pursuant to regulations. A mortgagee which enters into a contract of co-insurance under this section shall not by reason of such contract, or its adherence to such contract or applicable regulations of the Secretary, including provisions relating to the retention of risks in the event of sale or assignment of a mortgage, be made subject to any State law regulating the business of insurance.

(b) Inspection of construction of dwellings or projects as prerequisite; minimum standards or criteria applicable

No insurance shall be granted pursuant to this section with respect to dwellings or projects approved for insurance prior to the beginning of construction unless the inspection of such construction is conducted in accordance with at least the minimum standards and criteria used with respect to dwellings or projects approved
