(b) Application; agreement

Application for insurance of member accounts shall be made immediately by each Federal credit union and may be made at any time by a

State credit union or a credit union operating under the jurisdiction of the Department of Defense. Applications for such insurance shall be in such form as the Board shall provide and shall contain an agreement by the applicant—

(1) to pay the reasonable cost of such examinations as the Board may deem necessary in connection with determining the eligibility of the applicant for insurance: *Provided*, That examinations required under subchapter I of this chapter shall be so conducted that the information derived therefrom may be utilized for share insurance purposes, and examinations conducted by State regulatory agencies shall be utilized by the Board for such purposes to the maximum extent feasible;

(2) to permit and pay the reasonable cost of such examinations as in the judgment of the Board may from time to time be necessary for the protection of the fund and of other insured credit unions;

(3) to permit the Board to have access to any information or report with respect to any examination made by or for any public regulatory authority, including any commission, board, or authority having supervision of a State-chartered credit union, and furnish such additional information with respect thereto as the Board may require;

(4) to provide protection and indemnity against burglary, defalcation, and other similar insurable losses, of the type, in the form, and in an amount at least equal to that required by the laws under which the credit union is organized and operates;

(5) to maintain such regular reserves as may be required by the laws of the State, district, territory, or other jurisdiction pursuant to which it is organized and operated, in the case of a State-chartered credit union, or as may be required by this chapter, in the case of a Federal credit union;

(8) to pay and maintain its deposit and to pay the premium charges for insurance imposed by this subchapter; and

(9) to comply with the requirements of this subchapter and of regulations prescribed by the Board pursuant thereto.

(c) Approval of application

(1) Before approving the application of any credit union for insurance of its member accounts, the Board shall consider—

(A) the history, financial condition, and management policies of the applicant;

(B) the economic advisability of insuring the applicant without undue risk of the fund;

(C) the general character and fitness of the applicant's management;

(D) the convenience and needs of the members to be served by the applicant; and

(E) whether the applicant is a cooperative association organized for the purpose of promoting thrift among its members and creating a source of credit for provident or productive purposes.

(2) The Board shall disapprove the application of any credit union for insurance of its member accounts if it finds that its reserves are inadequate, that its financial condition and policies are unsafe or unsound, that its management is unfit, that insurance of its member accounts would otherwise involve undue risk to the fund, or that its powers and purposes are inconsistent with the promotion of thrift among its members and the creation of a source of credit for provident or productive purposes.

(3) Repealed. Pub. L. 95-22, title III, §301, Apr. 19, 1977, 91 Stat. 49.
