

(4) utilize files of information and existing facilities of established Federal agencies.

**(c) Report to Administrator by other Federal agencies involved in collection of energy information; cooperation of other Federal agencies; report by Administrator to President, Congress, and Energy Resources Council**

(1) At the earliest practicable date after August 14, 1976, each Federal agency which is engaged in the gathering of energy information as a part of an established program, function, or other activity shall promptly provide the Administrator with a report on energy information which—

(A) identifies the statutory authority upon which the energy information collection activities of such agency is based;

(B) lists and describes the energy information needs and requirements of such agency; and

(C) lists and describes the categories, definitions, levels of detail, and frequency of collection of the energy information collected by such agency.

Such agencies shall cooperate with the Administrator and provide such other descriptive information with respect to energy information activities as the Administrator may request. The Administrator shall prepare a report on his activities under this subsection, which report shall include recommendations with respect to the coordination of energy information activities of the Federal Government. Such report shall be available to the Congress and shall be transmitted to the President and to the Energy Resources Council for use in preparation of the plan required under subsection (c) of section 5818 of title 42.

TRANSFER OF FUNCTIONS

Functions assigned to Director of Office of Energy Information and Analysis under this subchapter vested in Administrator of Energy Information Administration within Department of Energy by section 7135(c) of Title 42, The Public Health and Welfare.

Federal Energy Administration terminated and functions vested by law in Administrator thereof transferred to Secretary of Energy (unless otherwise specifically provided) by sections 7151(a) and 7293 of Title 42.

**§ 790f. Reports by Director**

**(a) Periodic and special reports by Director to Congress and public; contents**

The Director shall make periodic reports and may make special reports to the Congress and the public, including but not limited to—

(1) such reports as the Director determines are necessary to provide a comprehensive pic-

ture of the quarterly, monthly, and, as appropriate, weekly supply and consumption of the various nonmineral energy resources, mineral fuels, and electricity in the United States; the information reported may be organized by company, by States, by regions, or by such other producing and consuming sectors, or combinations thereof, and shall be accompanied by an appropriate discussion of the evolution of the energy supply and consumption situation and such national and international trends and their effects as the Director may find to be significant; and

(2) an annual report which includes, but is not limited to, a description of the activities of the Office and the National Energy Information System during the preceding year; a summary of all special reports published during the preceding year; a summary of statistical information collected during the preceding year; short-, medium-, and long-term energy consumption and supply trends and forecasts under various assumptions; and, to the maximum extent practicable, a summary or schedule of the amounts of mineral fuel resources, nonmineral energy resources, and mineral fuels that can be brought to market at various prices and technologies and their relationship to forecasted demands.

**(b) Duty of Director to insure adequate documentation of forecasts and reports; periodic audit and validation of analytical methodologies; availability of information to public**

(1) The Director, on behalf of the Administrator, shall insure that adequate documentation for all statistical and forecast reports prepared by the Director is made available to the public at the time of publication of such reports. The Director shall periodically audit and validate analytical methodologies employed in the preparation of periodic statistical and forecast reports.

(2) The Director shall, on a regular basis, make available to the public information which contains validation and audits of periodic statistical and forecast reports.

**(c) Approval prior to publication of forecasts and reports**

Prior to publication, the Director may not be required to obtain the approval of any other officer or employee of the United States with respect to the substance of any statistical or forecasting technical reports which he has prepared in accordance with law.
