§ 1511c. Estuarine Programs Office

(a) Establishment

The Administrator of the National Oceanic and Atmospheric Administration (hereinafter in this section referred to as the "Administrator") shall establish within the Administration an Estuarine Programs Office.

(b) Functions

The Estuarine Programs Office shall—

(1) develop and implement a national estuarine strategy for the Administration that integrates the research, regulatory, and trusteeship responsibilities of the Administration;

(2) coordinate the estuarine activities of the various organizations within the Administration, including activities in estuarine research and assessment, fisheries research, coastal management, and habitat conservation;

(3) coordinate the estuarine activities of the Administration with the activities of other Federal and State agencies; and

(4) provide technical assistance to the Administrator, to other Federal agencies, and to State and local government agencies in—

(A) assessing the condition of estuaries;

(B) identifying estuaries of critical national or regional importance;

(C) identifying technical and management alternatives for the restoration and protection of estuarine resources; and

(D) monitoring the implementation and effectiveness of estuarine management plans.

(c) Authorization

There are authorized to be appropriated to the Administration not to exceed \$500,000 for fiscal year 1987, \$530,000 for fiscal year 1988, \$560,000 for fiscal year 1989, and \$600,000 for fiscal year 1990 to carry out the provisions of this section.

§ 1511d. Chesapeake Bay Office

(a) Establishment

(1) The Secretary of Commerce shall establish, within the National Oceanic and Atmospheric Administration, an office to be known as the Chesapeake Bay Office (in this section referred to as the "Office").

(2) The Office shall be headed by a Director who shall be appointed by the Secretary of Commerce, in consultation with the Chesapeake Executive Council. Any individual appointed as Director shall have knowledge and experience in research or resource management efforts in the Chesapeake Bay.

(3) The Director may appoint such additional personnel for the Office as the Director determines necessary to carry out this section.

(b) Functions

The Office, in consultation with the Chesapeake Executive Council, shall—

(1) provide technical assistance to the Administrator, to other Federal departments and agencies, and to State and local government agencies in—

(A) assessing the processes that shape the Chesapeake Bay system and affect its living resources;

(B) identifying technical and management alternatives for the restoration and protection of living resources and the habitats they depend upon; and

(C) monitoring the implementation and effectiveness of management plans;

(2) develop and implement a strategy for the National Oceanic and Atmospheric Administration that integrates the science, research, monitoring, data collection, regulatory, and management responsibilities of the Secretary of Commerce in such a manner as to assist the cooperative, intergovernmental Chesapeake Bay Program to meet the commitments of the Chesapeake Bay Agreement;

(3) coordinate the programs and activities of the various organizations within the National Oceanic and Atmospheric Administration, the Chesapeake Bay Regional Sea Grant Programs, and the Chesapeake Bay units of the National Estuarine Research Reserve System, including—

(A) programs and activities in—

(i) coastal and estuarine research, monitoring, and assessment;

(ii) fisheries research and stock assessments;

(iii) data management;

(iv) remote sensing;

(v) coastal management;

(vi) habitat conservation and restoration; and

(vii) atmospheric deposition; and

(B) programs and activities of the Cooperative Oxford Laboratory of the National Ocean Service with respect to—

(i) nonindigenous species;

(ii) estuarine and marine species pathology;
