REFERENCES IN TEXT

This Act, referred to in subsec. (a), is Pub. L. 110-314, Aug. 14, 2008, 122 Stat. 3016, known as the Consumer Product Safety Improvement Act of 2008. For complete classification of this Act to the Code, see Short Title of 2008 Amendment note set out under section 2051 of this title and Tables.

The Consumer Product Safety Act, referred to in subsec. (b)(1), is Pub. L. 92-573, Oct. 27, 1972, 86 Stat. 1207, which is classified generally to this chapter. For complete classification of this Act to the Code, see Short Title note set out under section 2051 of this title and Tables.

CODIFICATION

Section was enacted as part of the Consumer Product Safety Improvement Act of 2008, and not as part of the Consumer Product Safety Act which comprises this chapter.

DEFINITIONS

For definitions of “Commission” and “appropriate Congressional committees” used in this section, see section 2(a) of Pub. L. 110-314, set out as a note under section 2051 of this title.

§ 2077. Chronic Hazard Advisory Panels

(a) Appointment; purposes

The Commission shall appoint Chronic Hazard Advisory Panels (hereinafter referred to as the Panel or Panels) to advise the Commission in accordance with the provisions of section 2080(b) of this title respecting the chronic hazards of cancer, birth defects, and gene mutations associated with consumer products.

(b) Composition; membership

Each Panel shall consist of 7 members appointed by the Commission from a list of nominees who shall be nominated by the President of the National Academy of Sciences from scientists—

(1) who are not officers or employees of the United States (other than employees of the National Institutes of Health, the National Toxicology Program, or the National Center for Toxicological Research), and who do not receive compensation from or have any substantial financial interest in any manufacturer, distributor, or retailer of a consumer product; and

(2) who have demonstrated the ability to critically assess chronic hazards and risks to human health presented by the exposure of humans to toxic substances or as demonstrated by the exposure of animals to such substances.

The President of the National Academy of Sciences shall nominate for each Panel a number of individuals equal to three times the number of members to be appointed to the Panel.

(c) Chairman and Vice Chairman; election; term

The Chairman and Vice Chairman of the Panel shall be elected from among the members and shall serve for the duration of the Panel.

(d) Majority vote

Decisions of the Panel shall be made by a majority of the Panel.

(e) Administrative support services

The Commission shall provide each Panel with such administrative support services as it may

require to carry out its duties under section 2080 of this title.

(f) Compensation

A member of a Panel appointed under subsection (a) of this section shall be paid at a rate not to exceed the daily equivalent of the annual rate of basic pay in effect for grade GS-18 of the General Schedule for each day (including travel-time) during which the member is engaged in the actual performance of the duties of the Panel.

(g) Requests for and disclosures of information

Each Panel shall request information and disclose information to the public, as provided in subsection (h) of this section, only through the Commission.

(h) Information from other Federal departments and agencies

(1) Notwithstanding any statutory restriction on the authority of agencies and departments of the Federal Government to share information, such agencies and departments shall provide the Panel with such information and data as each Panel, through the Commission, may request to carry out its duties under section 2080 of this title. Each Panel may request information, through the Commission, from States, industry and other private sources as it may require to carry out its responsibilities.

(2) Section 2055 of this title shall apply to the disclosure of information by the Panel but shall not apply to the disclosure of information to the Panel.

PRIOR PROVISIONS

A prior section 2077, Pub. L. 92-573, §28, Oct. 27, 1972, 86 Stat. 1230, provided for establishment and membership of Product Safety Advisory Council, prior to repeal by Pub. L. 97-35, title XII, §1205(a)(1), Aug. 13, 1981, 95 Stat. 716.

AMENDMENTS

2008—Pub. L. 110-314, which directed amendment of this section by substituting “the appropriate Congressional committees” for “the Congress” in subsecs. (j)(10)(F) and (k)(1), (2), could not be executed because this section does not contain a subsec. (j) or (k).

1990—Subsec. (b)(1). Pub. L. 101-608 inserted “(other than employees of the National Institutes of Health, the National Toxicology Program, or the National Center for Toxicological Research)” after “States”.

EFFECTIVE DATE

Section applicable with respect to regulations under this chapter and chapters 25 and 30 of this title for which notices of proposed rulemaking are issued after Aug. 14, 1981, see section 1215 of Pub. L. 97-35, set out as an Effective Date of 1981 Amendment note under section 2052 of this title.

REFERENCES IN OTHER LAWS TO GS-16, 17, OR 18 PAY RATES

References in laws to the rates of pay for GS-16, 17, or 18, or to maximum rates of pay under the General Schedule, to be considered references to rates payable under specified sections of Title 5, Government Organi-

zation and Employees, see section 529 [title I, § 101(c)(1)] of Pub. L. 101-509, set out in a note under section 5376 of Title 5.

§ 2078. Cooperation with States and other Federal agencies

(a) Programs to promote Federal-State cooperation

The Commission shall establish a program to promote Federal-State cooperation for the purposes of carrying out this chapter. In implementing such program the Commission may—

(1) accept from any State or local authorities engaged in activities relating to health, safety, or consumer protection assistance in such functions as injury data collection, investigation, and educational programs, as well as other assistance in the administration and enforcement of this chapter which such States or localities may be able and willing to provide and, if so agreed, may pay in advance or otherwise for the reasonable cost of such assistance, and

(2) commission any qualified officer or employee of any State or local agency as an officer of the Commission for the purpose of conducting examinations, investigations, and inspections.

(b) Appropriateness of State and local programs

In determining whether such proposed State and local programs are appropriate in implementing the purposes of this chapter, the Commission shall give favorable consideration to programs which establish separate State and local agencies to consolidate functions relating to product safety and other consumer protection activities.

(c) Cooperation of Federal departments and agencies

The Commission may obtain from any Federal department or agency such statistics, data, program reports, and other materials as it may deem necessary to carry out its functions under this chapter. Each such department or agency may cooperate with the Commission and, to the extent permitted by law, furnish such materials to it. The Commission and the heads of other departments and agencies engaged in administering programs related to product safety shall, to the maximum extent practicable, cooperate and consult in order to insure fully coordinated efforts.

(d) Utilization of National Institute of Standards and Technology

The Commission shall, to the maximum extent practicable, utilize the resources and facilities of the National Institute of Standards and Technology, on a reimbursable basis, to perform research and analyses related to risks of injury associated with consumer products (including fire and flammability risks), to develop test methods, to conduct studies and investigations, and to provide technical advice and assistance in connection with the functions of the Commission.

(e) Copies of accident or investigation reports to other agencies; conditions

Notwithstanding section 2055(a)(3) of this title, the Commission may provide to another Federal

agency or a State or local agency or authority engaged in activities relating to health, safety, or consumer protection, copies of any accident or investigation report made under this chapter by any officer, employee, or agent of the Commission only if (1) information which under section 2055(a)(2) of this title is to be considered confidential is not included in any copy of such report which is provided under this subsection; and (2) each Federal agency and State and local agency and authority which is to receive under this subsection a copy of such report provides assurances satisfactory to the Commission that the identity of any injured person and any person who treated an injured person will not, without the consent of the person identified, be included in—

(A) any copy of any such report, or

(B) any information contained in any such report,

which the agency or authority makes available to any member of the public. No Federal agency or State or local agency or authority may disclose to the public any information contained in a report received by the agency or authority under this subsection unless with respect to such information the Commission has complied with the applicable requirements of section 2055(b) of this title.

(f) Sharing of information with Federal, State, local, and foreign government agencies

(1) Agreements and conditions

Notwithstanding the requirements of subsections (a)(3) and (b) of section 2055 of this title, relating to public disclosure of information, the Commission may make information obtained by the Commission available to any Federal, State, local, or foreign government agency upon the prior certification of an appropriate official of any such agency, either by a prior agreement or memorandum of understanding with the Commission or by other written certification, that such material will be maintained in confidence and will be used only for official law enforcement or consumer protection purposes, if—

(A) the agency has set forth a bona fide legal basis for its authority to maintain the material in confidence;

(B) the materials are to be used for purposes of investigating, or engaging in enforcement proceedings related to, possible violations of—

(i) laws regulating the manufacture, importation, distribution, or sale of defective or unsafe consumer products, or other practices substantially similar to practices prohibited by any law administered by the Commission;

(ii) a law administered by the Commission, if disclosure of the material would further a Commission investigation or enforcement proceeding; or

(iii) with respect to a foreign law enforcement agency, with the approval of the Attorney General, other foreign criminal laws, if such foreign criminal laws are offenses defined in or covered by a criminal mutual legal assistance treaty in force between the government of the United States
