

(D) the age of children for whose operation the ATV is designed or who may reasonably be expected to operate the ATV; and

(E) the average weight of children for whose operation the ATV is designed or who may reasonably be expected to operate the ATV.

**(3) Additional safety standards**

In the final rule, the Commission, in consultation with the National Highway Traffic Safety Administration, shall review the standard published under subsection (a)(1) and establish additional safety standards for all-terrain vehicles to the extent necessary to protect the public health and safety. As part of its review, the Commission shall consider, at a minimum, establishing or strengthening standards on—

- (A) suspension;
- (B) brake performance;
- (C) speed governors;
- (D) warning labels;
- (E) marketing; and
- (F) dynamic stability.

**(e) Definitions**

In this section:

**(1) All-terrain vehicle or ATV**

The term “all-terrain vehicle” or “ATV” means—

(A) any motorized, off-highway vehicle designed to travel on 3 or 4 wheels, having a seat designed to be straddled by the operator and handlebars for steering control; but

(B) does not include a prototype of a motorized, off-highway, all-terrain vehicle or other motorized, off-highway, all-terrain vehicle that is intended exclusively for research and development purposes unless the vehicle is offered for sale.

**(2) ATV action plan**

The term “ATV action plan” means a written plan or letter of undertaking that describes actions the manufacturer or distributor agrees to take to promote ATV safety, including rider training, dissemination of safety information, age recommendations, other policies governing marketing and sale of the ATVs, the monitoring of such sales, and other safety related measures, and that is substantially similar to the plans described under the heading “The Undertakings of the Companies in the Commission Notice” published in the Federal Register on September 9, 1998 (63 FR 48199–48204).
