Nothing in this subchapter or any standard, regulation, or requirement promulgated pursuant to this subchapter shall be construed or interpreted to preclude any court from awarding costs and damages associated with the abatement, including the removal, of asbestos-containing material, or a portion of such costs, at any time prior to the actual date on which such material is removed.

**(a) Study**

**(1) General requirement**

The Administrator shall conduct a study on the availability of liability insurance and other forms of assurance against financial loss which are available to local educational agencies and asbestos contractors with respect to actions required under this subchapter. (F) Identification of any other impediments to the timely completion of inspections or the development and implementation of management plans under this subchapter.

**(2) Interim report**

Not later than April 1, 1988, the Administrator shall submit to the Congress an interim report on the progress of the study required by this subsection, along with preliminary findings based on information collected to that date.
