DESIGNATION OF THE NATIONAL SCIENCE AND TECHNOLOGY COUNCIL TO COORDINATE CERTAIN ACTIVITIES UNDER THE ARCTIC RESEARCH AND POLICY ACT OF 1984

Memorandum of President of the United States, July 22, 2010, 75 F.R. 44063, provided:

Memorandum for the Director of the Office of Science and Technology Policy

By the authority vested in me as President by the Constitution and the laws of the United States, including the Arctic Research and Policy Act of 1984 (Title I of Public Law 98-373) (the “Act”), I hereby assign to the National Science and Technology Council (NSTC) responsibility to coordinate activities assigned in sections 107 and 108 of the Act to the Interagency Arctic Research Policy Committee, including through committees of the NSTC.

The Director of the Office of Science and Technology Policy is authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

§ 4107. Duties of Interagency Committee; report to Congress

(a) The Interagency Committee shall—

(1) survey Arctic research conducted by Federal, State, and local agencies, universities, and other public and private institutions to help determine priorities for future Arctic research, including natural resources and materials, physical and biological sciences, and social and behavioral sciences;

(2) work with the Commission to develop and establish an integrated national Arctic research policy that will guide Federal agencies in developing and implementing their research programs in the Arctic;

(3) consult with the Commission on—

(A) the development of the national Arctic research policy and the 5-year plan implementing the policy;

(B) Arctic research programs of Federal agencies;

(C) recommendations of the Commission on future Arctic research; and

(D) guidelines for Federal agencies for awarding and administering Arctic research grants;

(4) develop a 5-year plan to implement the national policy, as provided for in section 4108 of this title;

(5) provide the necessary coordination, data, and assistance for the preparation of a single integrated, coherent, and multiagency budget request for Arctic research as provided for in section 4109 of this title;

(6) facilitate cooperation between the Federal Government and State and local governments in Arctic research, and recommend the
