SHORT TITLE OF 2000 AMENDMENT

Pub. L. 106-210, §1, May 26, 2000, 114 Stat. 321, provided that: “This Act [enacting sections 6307a to 6307h of this title, amending this section and sections 6303, 6305, 6306, and 6308 to 6313 of this title, and enacting and amending provisions set out as notes under this section] may be cited as the ‘Muhammad Ali Boxing Reform Act’.”

SHORT TITLE

Section 1 of Pub. L. 104-272 provided that: “This Act [enacting this chapter] may be cited as the ‘Professional Boxing Safety Act of 1996’.”

FINDINGS

Pub. L. 106-210, §2, May 26, 2000, 114 Stat. 321, provided that: “The Congress makes the following findings:

“(1) Professional boxing differs from other major, interstate professional sports industries in the United States in that it operates without any private sector association, league, or centralized industry organization to establish uniform and appropriate business practices and ethical standards. This has led to repeated occurrences of disreputable and coercive business practices in the boxing industry, to the detriment of professional boxers nationwide.

“(2) State officials are the proper regulators of professional boxing events, and must protect the welfare of professional boxers and serve the public interest by closely supervising boxing activity in their jurisdiction. State boxing commissions do not currently receive adequate information to determine whether boxers competing in their jurisdiction are being subjected to contract terms and business practices which may violate State regulations, or are onerous and confiscatory.

“(3) Promoters who engage in illegal, coercive, or unethical business practices can take advantage of the lack of equitable business standards in the sport by holding boxing events in States with weaker regulatory oversight.

“(4) The sanctioning organizations which have proliferated in the boxing industry have not established credible and objective criteria to rate professional boxers, and operate with virtually no industry or public oversight. Their ratings are susceptible to manipulation, have deprived boxers of fair opportunities for advancement, and have undermined public confidence in the integrity of the sport.

“(5) Open competition in the professional boxing industry has been significantly interfered with by restrictive and anticompetitive business practices of certain promoters and sanctioning bodies, to the detriment of the athletes and the ticket-buying public. Common practices of promoters and sanctioning organizations represent restraints of interstate trade in the United States.

“(6) It is necessary and appropriate to establish national contracting reforms to protect professional boxers and prevent exploitive business practices, and to require enhanced financial disclosures to State

athletic commissions to improve the public oversight of the sport.”

PURPOSES OF 2000 AMENDMENT

Pub. L. 106-210, §3, May 26, 2000, 114 Stat. 322, provided that: “The purposes of this Act [see Short Title of 2000 Amendment note above] are—

“(1) to protect the rights and welfare of professional boxers on an interstate basis by preventing certain exploitive, oppressive, and unethical business practices;

“(2) to assist State boxing commissions in their efforts to provide more effective public oversight of the sport; and

“(3) to promote honorable competition in professional boxing and enhance the overall integrity of the industry.”

§ 6302. Purposes

The purposes of this chapter are—

(1) to improve and expand the system of safety precautions that protects the welfare of professional boxers; and

(2) to assist State boxing commissions to provide proper oversight for the professional boxing industry in the United States.

(Pub. L. 104-272, §3, Oct. 9, 1996, 110 Stat. 3310.)

§ 6303. Boxing matches in States without boxing commissions

(a) No person may arrange, promote, organize, produce, or fight in a professional boxing match held in a State that does not have a boxing commission unless the match is supervised by a boxing commission from another State and subject to the most recent version of the recommended regulatory guidelines certified and published by the Association of Boxing Commissions as well as any additional relevant professional boxing regulations and requirements of such other State.

(b) For the purpose of this chapter, if no State commission is available to supervise a boxing match according to subsection (a) of this section, then—

(1) the match may not be held unless it is supervised by an association of boxing commissions to which at least a majority of the States belong; and

(2) any reporting or other requirement relating to a supervising commission allowed under this section shall be deemed to refer to the entity described in paragraph (1).

(Pub. L. 104-272, §4, Oct. 9, 1996, 110 Stat. 3310; Pub. L. 106-210, §7(e), May 26, 2000, 114 Stat. 328.)

ies of which must be provided to the boxing commission.

(3) Presentation

Each professional boxer shall present his or her identification card to the appropriate boxing commission not later than the time of the weigh-in for a professional boxing match.

(c) Health and safety disclosures

It is the sense of the Congress that a boxing commission should, upon issuing an identification card to a boxer under subsection (b)(1) of this section, make a health and safety disclosure to that boxer as that commission considers appropriate. The health and safety disclosure should include the health and safety risks associated with boxing, and, in particular, the risk and frequency of brain injury and the advisability that a boxer periodically undergo medical procedures designed to detect brain injury.

(Pub. L. 104-272, § 6, Oct. 9, 1996, 110 Stat. 3310; Pub. L. 106-210, § 7(c), (f), May 26, 2000, 114 Stat. 328.)

(b) Suspension in another State

A boxing commission may allow a boxer who is under suspension in any State to participate in a professional boxing match—

(1) for any reason other than those listed in subsection (a) of this section if such commission notifies in writing and consults with the designated official of the suspending State’s boxing commission prior to the grant of approval for such individual to participate in that professional boxing match; or
