

SUBCHAPTER CI—MOUNT BAKER  
RECREATION AREA

**§ 460pp. Establishment**

**(a) In general**

In order to assure the conservation and protection of certain natural, scenic, historic, pastoral, and fish and wildlife values and to provide for the enhancement of the recreational values associated therewith, the Mount Baker National Recreation Area located in the Mount Baker-Snoqualmie National Forest, Washington, is hereby established.

**(b) Acreage**

The Mount Baker National Recreation Area (hereafter referred to as the "recreation area") shall comprise approximately eight thousand six hundred acres as generally depicted on the map entitled "Mount Baker National Recreation Area—Proposed", dated March 1984, which shall be on file and available for public inspection in the office of the Chief, Forest Service, Department of Agriculture.

**(c) Map and legal description**

The Secretary of Agriculture shall, as soon as practicable after July 3, 1984, file a map and a legal description of the recreation area with the Committee on Energy and Natural Resources, United States Senate, and the Committee on Interior and Insular Affairs, House of Representatives, and each such map and legal description shall have the same force and effect as if included in this subchapter: *Provided*, That correction of clerical and typographical errors in such legal description and map may be made. The map and legal description shall be on file and available for public inspection in the office of the Chief of the Forest Service, Department of Agriculture.

**(d) Administration**

The Secretary shall administer the recreation area in accordance with the laws, rules and regulations applicable to the national forests in such manner as will best provide for (1) public outdoor recreation (including but not limited to snowmobile use); (2) conservation of scenic, natural, historic, and other values contributing to public enjoyment; and (3) such management, utilization, and disposal of natural resources on federally owned lands within the recreation area which are compatible with and which do not significantly impair the purposes for which the recreation area is established.

SUBCHAPTER CII—ALLEGHENY NATIONAL  
RECREATION AREA

**§ 460qq. Establishment**

**(a) Designation of area; revision of boundaries**

In furtherance of the findings and purposes of this subchapter, certain lands in the Allegheny National Forest, Pennsylvania, which comprise approximately twenty-three thousand one hundred acres, as generally depicted on a map entitled "Allegheny National Recreation Area—Proposed", dated March 1984, are hereby designated as the Allegheny National Recreation Area (hereinafter in this subchapter referred to as the "national recreation area"). The Secretary of Agriculture may revise the boundaries of the national recreation area to correct errors or to include additional lands acquired adjacent to the area.

**(b) Description of purposes**

The national recreation area shall be managed for the purposes of—

(1) outdoor recreation including, but not limited to, hunting, fishing, hiking, backpacking, camping, nature study, and the use of motorized and nonmotorized boats on the Allegheny Reservoir;

(2) the conservation of fish and wildlife populations and habitat;

(3) the protection of watersheds and the maintenance of free flowing streams and the quality of ground and surface waters in accordance with applicable law;

(4) the conservation of scenic, cultural, and other natural values of the area;

(5) allowing the development of privately owned oil, gas, and mineral resources subject to reasonable conditions prescribed by the Secretary under subsection (c) of this section for the protection of the area; and

(6) minimizing, to the extent practicable, environmental disturbances caused by resource development, consistent with the exercise of private property rights.

**(c) Administration; plan of operations**

The Secretary shall administer the national recreation area in accordance with the purposes described in subsection (b) of this section and the laws, rules, and regulations applicable to the National Forest System. Subject to valid existing rights, any activity associated with the exploration, development, or transportation of oil, gas, or other minerals shall be subject to such reasonable conditions as the Secretary may prescribe, and in accordance with the management plan described in subsection (d) of this section, to achieve the purposes, described in subsection (b) of this section, of the national recreation area. For any such activity, the Secretary shall require a plan of operations which shall include provisions for adequate reclamation, including, to the extent practicable, revegetation and rehabilitation after each phase of operations is completed.

**(d) Management plan**

The Secretary shall prepare, and may from time to time amend, a management plan for the national recreation area. The plan may be pre-

pared in conjunction with, or incorporated with, ongoing planning for the Allegheny National Forest in accordance with the National Forest Management Act of 1976. The initial management plan and significant amendments or revisions shall be accompanied by an environmental impact statement prepared in accordance with the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.].

**(e) Hunting, fishing, and trapping**

The Secretary shall permit hunting, fishing, and trapping within the boundaries of the national recreation area in accordance with applicable Federal and State laws except that the Secretary may designate zones where, and establish periods when, no hunting, fishing, or trapping shall be permitted for reasons of public safety, administration, or public use and enjoyment. Except in emergencies, any prohibitions or restrictions made pursuant to this subsection shall be put into effect only after consultation with the appropriate State fish and game department.

**(f) Withdrawal of minerals from appropriation and disposition**

Subject to valid existing rights, the minerals in all federally owned lands within the national recreation area designated by this subchapter are withdrawn from all forms of appropriation under the mining laws and from disposition under all laws pertaining to mineral leasing, including all laws pertaining to geothermal leasing, and all amendments thereto.

**(g) Other National Forest management areas unaffected**

Nothing in this section shall be construed to apply to or have any effect on any other management area of the National Forest System, including any wilderness area or any other national recreation area.

**§ 460rr-2. Administration**

**(a) Objectives**

Subject to valid existing rights, the Pine Ridge National Recreation Area designated by this subchapter shall be administered by the Secretary of Agriculture in accordance with the laws, rules, and regulations applicable to the national forests in a manner compatible with the following objectives:

(1) the continuation of existing primitive and semiprimitive recreational use in a natural environment;

(2) preservation and protection of forest, aquatic and grassland habitat;

(3) protection and conservation of special areas having uncommon or outstanding wilderness, biological, geological, recreational, cultural, historical or archeological, and scientific, or other values contributing to the public benefit;

(4) the continuation of existing livestock grazing uses;

(5) the control of noxious weeds and insects and prevention of their spreading onto the nearby private and Federal lands; and
