

vember 16, 1990, on Federal lands located within the exterior boundaries of the recreation area.

(c) Administration

Subject to valid existing rights except for extraction of common variety minerals such as stone, sand, and gravel for use in construction and maintenance of roads and other facilities within the recreation area and the excluded areas, all other mineral development on federally owned lands within the recreation area is prohibited.

(d) Regulations

The Secretary is authorized and directed to issue supplementary regulations to promote and protect the purposes for which the recreation area is designated.

(Pub. L. 101-612, §8, Nov. 16, 1990, 104 Stat. 3214.)

§ 460bbb-7. Management planning

The Secretary shall revise the document entitled "Smith River National Recreation Area Management Plan" dated February 1990 to conform to the provisions of this subchapter, and such revised plan shall guide management of the recreation area and shall be incorporated in its entirety into the forest plan for the Six Rivers National Forest. This incorporation shall not be deemed a revision or amendment to the forest plan for purposes of the¹ section 1604 of this title. The Secretary shall make such further revisions to the management plan as are necessary in order to include more specific development and use plans for the recreation areas. Such revisions shall be made no later than 5 years after November 16, 1990. Such revisions and any other modifications of the management plan shall be made only through the processes of revision or amendment of the forest plan pursuant to section 1604 of this title, including appropriate consultation with State and local government officials and provision for full public participation considering the views of all interested parties, organizations, and individuals.

(Pub. L. 101-612, §9, Nov. 16, 1990, 104 Stat. 3214.)

MANAGEMENT

Section 10(c) of Pub. L. 101-612 provided that: "The management plan prepared under section 9 of this Act [this section] shall be deemed to satisfy the requirement for a comprehensive management plan required under section 3(d)(1) of the Wild and Scenic Rivers Act [section 1274(d)(1) of this title]."

§ 460bbb-8. Streamside protection zones

(a) Three hundred foot zones

For each of the rivers and river segments specified in this subsection, there is hereby established a streamside protection zone in which timber harvesting shall be prohibited except as permitted by section 460bbb-3(a)(7) of this title. Such zone shall extend 300 feet from each bank of the rivers and river segments, or 100 feet from the inner gorge of said rivers and river segments, or within the limit of high and extreme landslide hazards on said rivers and river segments, whichever is greater. (23) Buck Creek (from its headwaters to its confluence with the South Fork of the Smith River).

(c) Lower Hurdygurdy Creek

For the Lower Hurdygurdy Creek (from Dry Lake to its confluence with the South Fork of the Smith River) there is established a stream-

side protection zone in which timber harvesting shall be prohibited except as permitted by section 460bbb-3(a)(7) of this title. Such zone shall extend one-eighth mile on either side of said Lower Hurdygurdy Creek.

(d) Other restrictions on timber harvesting

The provisions of this section shall be in addition to, and not in lieu of, any restrictions on timber harvesting or other activities applicable to the streamside protection zones established by this section under any other applicable provision of this subchapter.

(Pub. L. 101-612, § 11, Nov. 16, 1990, 104 Stat. 3219.)

§ 460bbb-9. State and local jurisdiction and assistance

(a) State and local jurisdiction

Nothing in this subchapter shall diminish, enlarge, or modify any right of the State of California or any political subdivision thereof, to exercise civil and criminal jurisdiction or to carry out State fish and game laws, rules, and regulations within the recreation area, or to tax persons, franchise, or private property on the lands and waters included in the recreation area, or to regulate the private lands within the recreation area.

(b) Cooperative agreements

The Secretary is authorized and encouraged to enter into cooperative agreements with the State of California or its political subdivisions for—

(1) the rendering on a reimbursable basis, of rescue, firefighting, and law enforcement services and cooperative assistance by nearby law enforcement and fire prevention agencies; and

(2) the planning for use, management, and development of non-Federal lands within the recreation area and elsewhere in the Smith River watershed in the furtherance of the purposes of this subchapter.

(c) Technical assistance

To enable the State of California and its political subdivisions to develop and implement programs compatible with the purposes of this subchapter, the Secretary, in consultation with the Secretaries of the Interior, Commerce, and Housing and Urban Development, shall consider upon request such technical assistance to the State and its political subdivisions as is necessary to fulfill the purposes of this section. Such assistance may include payments or grants, within existing programs, for technical aid and program development.

(d) Land information system

The Secretary of Agriculture shall assist the county of Del Norte in developing a land information system that will be compatible with the Forest Service and National Park Service systems for the Federal lands in Del Norte County and such non-Federal systems as may be appropriate and that will be made available to Federal and non-Federal entities for use in coordinating planning for the recreation area and other lands in the Smith River watershed.
