

(1) except as provided in subsection (d) of this section; and

(2) except that within a limited capacity and on designated routes within the addition, owners of record of registered airboats in use within the addition as of January 1, 1989, shall be issued nontransferable, nonrenewable permits, for their individual lifetimes, to operate personally-owned airboats for noncommercial use in accordance with rules prescribed by the Secretary to determine ownership and registration, establish uses, permit conditions, and penalties, and to protect the biological resources of the area.

**(d) Concession contracts**

The Secretary is authorized to negotiate and enter into concession contracts with the owners of commercial airboat and tour facilities in existence on or before January 1, 1989, located within the addition for the provision of such services at their current locations under such rules and conditions as he may deem necessary for the accommodation of visitors and protection of biological resources of the area.

**(e) Marjory Stoneman Douglas Visitor Center**

The Secretary is authorized and directed to expedite the construction of the visitor center facility at Everglades City, Florida, as described in the Development Concept Plan, Gulf Coast, dated February 1989, and upon construction shall designate the visitor center facility as “The Marjory Stoneman Douglas Center” in commemoration of the vision and leadership shown by Mrs. Douglas in the protection of the Everglades and Everglades National Park.

**(f) Ernest F. Coe Visitor Center**

On completion of construction of the main visitor center facility at the headquarters of Everglades National Park, the Secretary shall designate the visitor center facility as the “Ernest F. Coe Visitor Center”, to commemorate the vision and leadership shown by Mr. Coe in the establishment and protection of Everglades National Park.

(Pub. L. 101-229, title I, §103, Dec. 13, 1989, 103 Stat. 1948; Pub. L. 105-82, §§4, 5, Nov. 13, 1997, 111 Stat. 1541, 1542.)

AMENDMENTS

1997—Subsec. (c)(2). Pub. L. 105-82, §5(1), substituted “personally-owned” for “personally-owned”.

Subsec. (e). Pub. L. 105-82, §5(2), substituted “Marjory Stoneman Douglas Visitor Center” for “Visitor Center” in heading.

Subsec. (f). Pub. L. 105-82, §4, added subsec. (f).

FINDINGS AND PURPOSE OF 1997 AMENDMENT

Section 2 of Pub. L. 105-82 provided that:

“(a) FINDINGS.—Congress finds that—

“(1)(A) Marjory Stoneman Douglas, through her book, ‘The Everglades: River of Grass’ (published in 1947), defined the Everglades for the people of the United States and the world;

“(B) Mrs. Douglas’s book was the first to stimulate widespread understanding of the Everglades ecosystem and ultimately served to awaken the desire of the people of the United States to restore the ecosystem’s health;

“(C) in her 107th year, Mrs. Douglas is the sole surviving member of the original group of people who devoted decades of selfless effort to establish the Everglades National Park;

“(D) when the water supply and ecology of the Everglades, both within and outside the park, became threatened by drainage and development, Mrs. Douglas dedicated the balance of her life to the defense of the Everglades through extraordinary personal effort and by inspiring countless other people to take action;

“(E) for these and many other accomplishments, the President awarded Mrs. Douglas the Medal of Freedom on Earth Day, 1994; and

“(2)(A) Ernest F. Coe (1886-1951) was a leader in the creation of Everglades National Park;

“(B) Mr. Coe organized the Tropic Everglades National Park Association in 1928 and was widely regarded as the father of Everglades National Park;

“(C) as a landscape architect, Mr. Coe’s vision for the park recognized the need to protect south Florida’s diverse wildlife and habitats for future generations;

“(D) Mr. Coe’s original park proposal included lands and waters subsequently protected within the Everglades National Park, the Big Cypress National Preserve, and the Florida Keys National Marine Sanctuary; and

“(E)(i) Mr. Coe’s leadership, selfless devotion, and commitment to achieving his vision culminated in the authorization of the Everglades National Park by Congress in 1934;

“(ii) after authorization of the park, Mr. Coe fought tirelessly and lobbied strenuously for establishment of the park, finally realizing his dream in 1947; and

“(iii) Mr. Coe accomplished much of the work described in this paragraph at his own expense, which dramatically demonstrated his commitment to establishment of Everglades National Park.

“(b) PURPOSE.—It is the purpose of this Act [see Short Title of 1997 Amendment note set out under section 410r-5 of this title] to commemorate the vision, leadership, and enduring contributions of Marjory Stoneman Douglas and Ernest F. Coe to the protection of the Everglades and the establishment of Everglades National Park.”

**§ 410r-8. Modification of certain water projects**

**(a) Improved water deliveries**

(1) Upon completion of a final report by the Chief of the Army Corps of Engineers, the Secretary of the Army, in consultation with the Secretary, is authorized and directed to construct modifications to the Central and Southern Florida Project to improve water deliveries into the park and shall, to the extent practicable, take steps to restore the natural hydrological conditions within the park.

(2) Such modifications shall be based upon the findings of the Secretary’s experimental program authorized in section 1302 of the 1984 Supplemental Appropriations Act (97 Stat. 1292) and generally as set forth in a General Design Memorandum to be prepared by the Jacksonville District entitled “Modified Water Deliveries to Everglades National Park”. The Draft of such Memorandum and the Final Memorandum, as prepared by the Jacksonville District, shall be submitted as promptly as practicable to the Committee on Energy and Natural Resources and the Committee on Environment and Public Works of the United States Senate and the Committee on Natural Resources and the Committee on Public Works and Transportation of the United States House of Representatives.

(3) Construction of project modifications authorized in this subsection and flood protection systems authorized in subsections (c) and (d) of this section are justified by the environmental

benefits to be derived by the Everglades ecosystem in general and by the park in particular and shall not require further economic justification.

(4) Nothing in this section shall be construed to limit the operation of project facilities to achieve their design objectives, as set forth in the Congressional authorization and any modifications thereof.

**(b) Determination of adverse effect**

(1) Upon completion of the Final Memorandum referred to in subsection (a) of this section, the Secretary of the Army, in consultation with the South Florida Water Management District, shall make a determination as to whether the residential area within the East Everglades known as the "Eight and One-Half Square Mile Area" or adjacent agricultural areas, all as generally depicted on the map referred to in section 410r-6(a) of this title, will be adversely affected by project modifications authorized in subsection (a) of this section.

(2) In determining whether adjacent agricultural areas will be adversely affected, the Secretary of the Army shall consider the impact of any flood protection system proposed to be implemented pursuant to subsection (c) of this section on such agricultural areas.

**(c) Flood protection; Eight and One-Half Square Mile Area**

If the Secretary of the Army makes a determination pursuant to subsection (b) of this section that the "Eight and One-Half Square Mile Area" will be adversely affected, the Secretary of the Army is authorized and directed to construct a flood protection system for that portion of presently developed land within such area.

**(d) Flood protection; adjacent agricultural area**

(1) If the Secretary of the Army determines pursuant to subsection (b) of this section that an adjacent agricultural area will be adversely affected, the Secretary of the Army is authorized and directed to construct a flood protection system for such area. Such determination shall be based on a finding by the Secretary of the Army that:

(A) the adverse effect will be attributable solely to a project modification authorized in subsection (a) of this section or to a flood protection system implemented pursuant to subsection (c) of this section, or both; and

(B) such modification or flood protection system will result in a substantial reduction in the economic utility of such area based on its present agricultural use.

(2) No project modification authorized in subsection (a) of this section which the Secretary of the Army determines will cause an adverse effect pursuant to subsection (b) of this section shall be made operational until the Secretary of the Army has implemented measures to prevent such adverse effect on the adjacent agricultural area: *Provided*, That the Secretary of the Army or the South Florida Water Management District may operate the modification to the extent that the Secretary of the Army determines that such operation will not adversely affect the adjacent agricultural area: *Provided further*, That any preventive measure shall be implemented in

a manner that presents the least prospect of harm to the natural resources of the park.

(3) Any flood protection system implemented by the Secretary of the Army pursuant to this subsection shall be required only to provide for flood protection for present agricultural uses within such adjacent agricultural area.

(4) The acquisition of land authorized in section 410r-6 of this title shall not be considered a project modification.

**(e) Periodic review**

(1) Not later than 18 months after the completion of the project modifications authorized in subsection (a) of this section, and periodically thereafter, the Secretary of the Army shall review the determination of adverse effect for adjacent agricultural areas.

(2) In conducting such review, the Secretary of the Army shall consult with all affected parties, including, but not limited to, the Secretary, the South Florida Water Management District and agricultural users within adjacent agricultural areas.

(3) If, on the basis of such review, the Secretary of the Army determines that an adjacent agricultural area has been, or will be adversely affected, the Secretary of the Army is authorized and directed, in accordance with the provisions of subsection (d) of this section, to construct a flood protection system for such area: *Provided*, That the provisions of subsection (d)(2) of this section shall be applicable only to the extent that the Secretary, in consultation with the Secretary of the Army, determines that the park will not be adversely affected.

(4) The provisions of this subsection shall only be applicable if the Secretary of the Army has previously made a determination that such adjacent agricultural area will not be adversely affected.

**(f) Current canal operating levels**

Nothing in this section shall be construed to require or prohibit the Secretary of the Army or the South Florida Water Management District from maintaining the water level within any project canal below the maximum authorized operating level as of December 13, 1989.

**(g) No limitation on other claims**

If the Secretary of the Army makes a determination of no adverse effect pursuant to subsection (b) of this section, such determination shall not be considered as a limitation or prohibition against any available legal remedy which may otherwise be available.

**(h) Coordination**

The Secretary and the Secretary of the Army shall coordinate the construction program authorized under this section and the land acquisition program authorized in section 410r-6 of this title in such a manner as will permit both to proceed concurrently and as will avoid unreasonable interference with property interests prior to the acquisition of such interests by the Secretary under section 410r-6 of this title.

**(i) West Dade Wellfield**

No Federal license, permit, approval, right-of-way or assistance shall be granted or issued with respect to the West Dade Wellfield (to be located

in the Bird Drive Drainage Basin, as identified in the Comprehensive Development Master Plan for Dade County, Florida) until the Secretary, the Governor of the State of Florida, the South Florida Water Management District and Dade County, Florida enter into an agreement providing that the South Florida Water Management District's water use permit for the wellfield, if granted, must include the following limiting conditions: (1) the wellfield's peak pumpage rate shall not exceed 140,000,000 gallons per day; (2) the permit shall include reasonable, enforceable measures to limit demand on the wellfield in times of water shortage; and (3) if, during times of water shortage, the District fails to limit demand on the wellfield pursuant to (2), or if the District limits demand on the wellfield pursuant to (2), but the Secretary certifies that operation of the wellfield is still causing significant adverse impacts on the resources of the Park, the Governor shall require the South Florida Water Management District to take necessary actions to alleviate the adverse impact, including, but not limited to, temporary reductions in the pumpage from the wellfield.

**(j) Protection of natural values**

The Secretary of the Army is directed in analysis, design and engineering associated with the development of a general design memorandum for works and operations in the "C-111 basin" area of the East Everglades, to take all measures which are feasible and consistent with the purposes of the project to protect natural values associated with Everglades National Park. Upon completion of a general design memorandum for the area, the Secretary shall prepare and transmit a report to the Committee on Energy and Natural Resources and the Committee on Environment and Public Works of the United States Senate and the Committee on Natural Resources and the Committee on Public Works and Transportation of the United States House of Representatives on the status of the natural resources of the C-111 basin and functionally related lands.

**(k) Acquisition of additional lands**

(1) Notwithstanding any other provision of sections 410r-5 to 410r-8 of this title, the Secretary is authorized to use funds appropriated pursuant to sections 410r-5 to 410r-8 of this title, including any available funds appropriated to the National Park Service for construction in the Department of the Interior and Related Agencies Appropriations Acts for fiscal years 1991 through 1994 for project modifications by the Army Corps of Engineers, in such amounts as determined by the Secretary, to provide Federal assistance to the State of Florida (including political subdivisions of the State) for acquisition of lands described in paragraph (4).

(2) With respect to any lands acquired pursuant to this subsection, the Secretary may provide not more than 25 percent of the total cost of such acquisition.

(3) All funds made available pursuant to this subsection shall be transferred to the State of Florida or a political subdivision of the State, subject to an agreement that any lands acquired with such funds will be managed in perpetuity for the restoration of natural flows to the park or Florida Bay.

(4) The lands referred to in paragraph (1) are those lands or interests therein adjacent to, or affecting the restoration of natural water flows to, the park or Florida Bay which are located east of the park and known as the Frog Pond, Rocky Glades Agricultural Area, and the Eight-and-One-Half Square-Mile Area.

(Pub. L. 101-229, title I, §104, Dec. 13, 1989, 103 Stat. 1949; Pub. L. 103-219, Mar. 9, 1994, 108 Stat. 98; Pub. L. 103-437, §6(d)(9), Nov. 2, 1994, 108 Stat. 4584.)

REFERENCES IN TEXT

Section 1302 of the 1984 Supplemental Appropriations Act, referred to in subsec. (a)(2), is section 1302 of Pub. L. 98-181, title I, Nov. 30, 1983, 97 Stat. 1292, which is not classified to the Code.

The Department of the Interior and Related Agencies Appropriations Acts for fiscal years 1991 through 1994, referred to in subsec. (k)(1), are, respectively, Pub. L. 101-512, Nov. 5, 1990, 104 Stat. 1915, Pub. L. 102-154, Nov. 13, 1991, 105 Stat. 990, Pub. L. 102-381, Oct. 5, 1992, 106 Stat. 1374, and Pub. L. 103-138, Nov. 11, 1993, 107 Stat. 1379. For complete classification of these Acts to the Code, see Tables.

AMENDMENTS

1994—Subsecs. (a)(2), (j). Pub. L. 103-437 substituted "Natural Resources" for "Interior and Insular Affairs" after "Senate and the Committee on".

Subsec. (k). Pub. L. 103-219 added subsec. (k).

CHANGE OF NAME

Committee on Public Works and Transportation of House of Representatives treated as referring to Committee on Transportation and Infrastructure of House of Representatives by section 1(a) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2.

**§ 410r-9. Boundary revision**

**(a) Inclusion of Tarpon Basin property**

**(1) Definitions**

In this subsection:

**(A) Hurricane Hole**

The term "Hurricane Hole" means the natural salt-water body of water within the Duesenbury Tracts of the eastern parcel of the Tarpon Basin boundary adjustment and accessed by Duesenbury Creek.

**(B) Map**

The term "map" means the map entitled "Proposed Tarpon Basin Boundary Revision", numbered 160/80,012, and dated May 2008.

**(C) Secretary**

The term "Secretary" means the Secretary of the Interior.

**(D) Tarpon Basin property**

The term "Tarpon Basin property" means land that—

(i) is comprised of approximately 600 acres of land and water surrounding Hurricane Hole, as generally depicted on the map; and

(ii) is located in South Key Largo.

**(2) Boundary revision**

**(A) In general**

The boundary of the Everglades National Park is adjusted to include the Tarpon Basin property.
