#### § 4601-10c. Repeal of provisions prohibiting collection of recreation fees or user charges

All other provisions of law that prohibit the collection of entrance, admission, or other recreation user fees or charges authorized by this part or that restrict the expenditure of funds if such fees or charges are collected are hereby also repealed: *Provided*, That no provision of any law or treaty which extends to any person or class of persons a right of free access to the shoreline of any reservoir or other body of water, or to hunting and fishing along or on such shoreline, shall be affected by this repealer.

#### REFERENCES IN TEXT

This part, referred to in text, was in the original "this Act", meaning Pub. L. 88-578, Sept. 3, 1964, 78 Stat. 897, which is classified principally to this part. For complete classification of this Act to the Code, see Short Title note set out under section 4601-4 of this title and Tables.

#### CODIFICATION

In addition to the text set out in the section above, the original contained provisions directing the repeal of section 14 of this title and the deletion of "without charge," in the sentence of section 4601 of this title beginning "The water areas of all such projects shall be open to public use generally". The repeals and deletions called for by those provisions were executed as thus directed so that those provisions have been omitted from the text as executed.

Section formerly constituted the fourth paragraph of section 2(a) of Pub. L. 88-578 which was classified to section 4601-5(a) of this title. The paragraph was lifted out of section 2(a) and redesignated section 10 by section 1(a) of Pub. L. 90-401, which, for purposes of classification, resulted in the designation of the paragraph as section 4601-10c of this title [this section].

#### EFFECTIVE DATE

Section effective Jan. 1, 1965, see note set out under section 4601-4 of this title. Transfer of the provisions of this section from section 4601-5(a) of this title to this section effective Dec. 31, 1971, see section 1(d) of Pub. L. 90-401, as amended by section 1 of Pub. L. 91-308, set out as an Effective Date of 1968 Amendment note under section 4601-5 of this title.

#### § 4601-10d. Review and report; submittal to Congressional committees; contents

Within one year of September 28, 1976, the Secretary is authorized and directed to submit to the Committees on Interior and Insular Affairs of the Senate and House of Representatives a comprehensive review and report on the needs, problems, and opportunities associated with urban recreation in highly populated regions, including the resources potentially available for meeting such needs. The report shall include site specific analyses and alternatives, in a selection of geographic environments representative of the Nation as a whole, including, but not limited to, information on needs, local capabilities for action, major site opportunities, trends, and a full range of options and alternatives as to possible solutions and courses of action designed to preserve remaining open space, ameliorate recreational deficiency, and enhance recreational opportunity for urban populations, together with an analysis of the capability of the Federal Government to provide urban-oriented environmental education programs (including, but not limited to, cultural programs in the arts and crafts) within such options. The Secretary shall consult with, and request the views of, the affected cities, counties, and States on the alternatives and courses of action identified.
