

such purchased lands their fair market value, as determined by the Secretary, who may, in his discretion, base his determination on an independent appraisal obtained by him.

(5) Identification of appropriate public uses of public lands and interests therein within Area; disposition of public lands within Area

To identify the appropriate public uses of all of the public lands and interests therein within the Area. Disposition of the public lands within the Area, or any of the lands subsequently acquired as part of the Area, is prohibited, and the lands in the Area described in section 460y-8 of this title are hereby withdrawn from all forms of entry, selection, or location under existing or subsequent law, except as provided in section 460y-5 of this title. Notwithstanding any provision of this section, the Secretary may (A) exchange public lands or interests therein within the area for privately owned lands or interests therein also located within the Area, and (B) issue leases, licenses, contracts, or permits as provided by other laws.

(6) Construction, operation, and maintenance of roads, trails, and other access and recreational facilities within Area

To construct or cause to be constructed and to operate and maintain such roads, trails, and other access and recreational facilities in the area as the Secretary deems necessary and desirable for the proper protection, utilization, and development of the area.

(7) Reforestation and revegetation of lands within Area; installation of soil- and water-conserving works and practices

To reforest and revegetate such lands within the area and install such soil- and water-conserving works and practices to reduce erosion and improve forage and timber capacity as the Secretary deems necessary and desirable.

(8) Cooperative arrangements with State and local governmental agencies, and nonprofit organizations concerning installation, construction, maintenance, and operation of access and recreational facilities, etc.; designation of zones and establishment of periods for hunting and fishing

To enter into such cooperative arrangements with the State of California, local governmental agencies, and nonprofit organizations as the Secretary deems necessary or desirable concerning but not limited to installation, construction, maintenance, and operation of access and recreational facilities, reforestation, revegetation, soil and moisture conservation, and management of fish and wildlife including hunting and fishing and control of predators. The Secretary shall permit hunting and fishing on lands and waters under the jurisdiction within the boundaries of the recreation area in accordance with the applicable laws of the United States and the State of California, except that the Secretary may designate zones where, and establish periods when, no hunting or fishing shall be permitted for reasons of public safety, administration,

fish and wildlife management, or public use and enjoyment. Except in emergencies, any regulations of the Secretary pursuant to this section shall be put into effect only after consultation with the appropriate State fish and game department.

(9) Issuance of regulations

To issue such regulations and to do such other things as the Secretary deems necessary and desirable to carry out the terms of this subchapter.

AMENDMENTS

1978—Par. (3)(B). Pub. L. 95-352 inserted provisions relating to deposit of receipts into Treasury.

§ 460y-5. Applicability of mining laws; prospecting commenced or conducted and mining claims located subsequent to October 21, 1970, as subject to regulations; patents issued on mining claims located subsequent to October 21, 1970, as subject to regulations; provisions of regulations; rights of owner of existing valid mining claim as unaffected

(a) Subject to valid existing rights, nothing in this subchapter shall affect the applicability of the United States mining laws on the federally owned lands within the Area, except that all prospecting commenced or conducted and all mining claims located after October 21, 1970, shall be subject to such reasonable regulations as the Secretary may prescribe to effectuate the purposes of this subchapter. Any patent issued on any mining claim located after October 21, 1970, shall recite this limitation and continue to be subject to such regulations. All such regulations shall provide, among other things, for such measures as may be reasonable to protect the scenic and esthetic values of the Area against undue impairment and to assure against pollution of the streams and waters within the Area.

(b) Nothing in this section shall be construed to limit or restrict rights of the owner or owners of any existing valid mining claim.

(Pub. L. 91-476, §6, Oct. 21, 1970, 84 Stat. 1070.)

§ 460y-6. Administration of public lands within Area

Except as may otherwise be provided in this subchapter, the public lands within the area shall be administered by the Secretary under any authority available to him for the conservation, development, and management of natural resources on public lands in California withdrawn by Executive Order Numbered 6910, dated November 26, 1934, to the extent that he finds such authority will further the purposes of this subchapter.
