AMENDMENTS

1951—Act Aug. 31, 1951, inserted proviso.

USE OF FUND TO PAY FOR PURCHASE POWER AND WHEELING EXPENSES TO MEET CONTRACTUAL OBLIGATIONS DURING PERIODS OF BELOW-AVERAGE HYDRO-POWER GENERATION

Pub. L. 101-101, title III, Sept. 29, 1989, 103 Stat. 660, provided: "That the continuing fund established by the Act of October 12, 1949, c. 680, title I, section 101, as amended [16 U.S.C. 825s-1], shall also be available on an ongoing basis for paying for purchase power and wheeling expenses when the Administrator determines that such expenditures are necessary to meet contractual obligations for the sale and delivery of power during periods of below-average hydropower generation. Payments from the continuing fund shall be limited to the amount required to replace the generation deficiency, and only for the project where the deficiency occurred. Replenishment of the fund shall occur within twelve months of the month in which the funds were first expended."

§ 825s-2. Southeastern area sale and transmission of electric power; disposition of receipts; creation of continuing funds; use of fund

All receipts from the transmission and sale of electric power and energy under the provisions of section 825s of this title, generated or purchased in the southeastern power area, shall be covered into the Treasury of the United States as miscellaneous receipts, except that the Treasury shall set up and maintain from such receipts a continuing fund of \$50,000, and said fund shall be placed to the credit of the Secretary, and shall be subject to check by him to defray emergency expenses necessary to insure continuity of electric service and continuous operation of Government facilities in said area.
