§ 2112. Cooperative national forest products marketing program

(a) Findings and purposes

(1) Findings

Congress finds that—

(A) the health and vitality of the domestic forest products industry is important to the well-being of the economy of the United States;

(B) the domestic forest products industry has a significant potential for expansion in both domestic and foreign markets;

(C) many small-sized to medium-sized forest products firms lack the tools that would enable them to meet the increasing challenge of foreign competition in domestic and foreign markets; and

(D) a new cooperative forest products marketing program will improve the competitiveness of the United States forest products industry.

(2) Purposes

The purposes of this section are to—

(A) provide direct technical assistance to the United States forest products industry to improve marketing activities;

(B) provide cost-share grants to States to support State and regional forest products marketing programs; and

(C) target assistance to small-sized and medium-sized producers of solid wood and processed wood products, including pulp.

(b) Program authority

(1) In general

The Secretary shall establish a cooperative national forest products marketing program under this chapter that provides—

(A) technical assistance to States, landowners, and small-sized to medium-sized forest products firms on ways to improve domestic and foreign markets for forest products; and

(B) grants of financial assistance with matching requirements to the States to assist in State and regional forest products marketing efforts targeted to aid small-sized to medium-sized forest products firms and private, nonindustrial forest landowners.

(2) Interstate cooperative agreements

Grant agreements shall encourage the establishment of interstate cooperative agreements by the States for the purpose of promoting the development of domestic and foreign markets for forest products.

(c) Limitations

(1) Cooperation with other Federal agencies

In carrying out this section, the Secretary shall cooperate with Federal departments and agencies to avoid the duplication of efforts and to increase program efficiency.

(2) Domestic program

The program authorized under this section shall be carried out within the United States and not be extended to Department of Agriculture activities in foreign countries.

(d) Authorization for appropriations

There are authorized to be appropriated \$5,000,000 for each of the fiscal years 1988 through 1991, to carry out this section.

(e) Program report

The Secretary shall report to Congress annually on the activities taken under the marketing program established under this section. A final report including recommendations for program changes and the need and desirability of the reauthorization of this authority, and required levels of funding, shall be submitted to Congress not later than September 30, 1990.

INTERNATIONAL FOREST PRODUCTS TRADE INSTITUTE

Section 1247 of Pub. L. 101-624, as amended by Pub. L. 102-237, title X, § 1018(c), Dec. 13, 1991, 105 Stat. 1905, provided that:

“(a) ESTABLISHMENT.—The Secretary of Agriculture may establish an International Forest Products Trade Institute (hereafter in this section referred to as the ‘Institute’).

“(b) MISSION.—The mission of the Institute will be to increase the competitive position of the forest industries of the northeastern United States as major producers of international forest products in order to increase domestic employment and stimulate rural development, and to provide a knowledgeable, objective analysis of global forest resource problems.

“(c) FUNCTIONS.—The Institute shall—

“(1) emphasize the application of existing knowledge to the manufacturing and international market-

ing of forest products as well as conduct new research related to the competitiveness of the northeastern forest products industry;

“(2) study and evaluate domestic and international forest, forest sector, agroforestry, development, economic, and trade policies;

“(3) design, analyze and test technologically appropriate manufacturing, processing and marketing systems which are supportive of and consistent with forest policy and management strategies formulated by the Institute and which enhance opportunities for markets in forest products; and

“(4) formulate and test management strategies for—

“(A) United States forests, and

“(B) manufacturing facilities that promote ecologically sustainable use, and long-term management, of international forests.

“(d) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated such sums as may be necessary to carry out the purposes of this section.”

§ 2113. Federal, State, and local coordination and cooperation

(a) Forest Resource Coordinating Committee

(1) Establishment

The Secretary shall establish a committee, to be known as the “Forest Resource Coordinating Committee” (in this section referred to as the “Coordinating Committee”), to coordinate nonindustrial private forestry activities within the Department of Agriculture and with the private sector.

(2) Composition

The Coordinating Committee shall be composed of the following:

(F) Such other persons as determined by the Secretary to be appropriate.

(3) Chairperson

The Chief of the Forest Service shall serve as chairperson of the Coordinating Committee.

(4) Duties

The Coordinating Committee shall—

(A) provide direction and coordination of actions within the Department of Agriculture, and coordination with State agencies and the private sector, to effectively address the national priorities specified in section 2101(c) of this title, with specific focus¹ owners of nonindustrial private forest land;

(B) clarify individual agency responsibilities of each agency represented on the Coordinating Committee concerning the national priorities specified in section 2101(c) of this title, with specific focus on nonindustrial private forest land;

(C) provide advice on the allocation of funds, including the competitive funds set-aside by sections 2109a and 2109b of this title; and

(D) assist the Secretary in developing and reviewing the report required by section 2101(d) of this title.

(5) Meeting

The Coordinating Committee shall meet annually to discuss progress in addressing the national priorities specified in section 2101(c) of this title and issues regarding nonindustrial private forest land.

(6) Compensation

(A) Federal members

Members of the Coordinating Committee who are full-time officers or employees of the United States shall receive no additional pay, allowances, or benefits by reason of their service on the Coordinating Committee.

(B) Non-Federal members

Non-federal² members of the Coordinating Committee shall serve without pay, but may be reimbursed for reasonable costs incurred while performing their duties on behalf of the Coordinating Committee.

(b) State Coordinating Committees

(1) Establishment

(A) In general

The Secretary, in consultation with the State forester or equivalent State official of each State, shall establish a State Forest Stewardship Coordinating Committee (hereafter referred to in this section as the “State Coordinating Committee”) for each such State.

(B) Composition

The State Coordinating Committee shall be chaired and administered by the State forester, or equivalent State official, or the designee thereof, and shall be composed, to the extent practicable, of—

(i) representatives from the Forest Service, Soil Conservation Service, Agricultural Stabilization and Conservation Service, and National Institute of Food and Agriculture;

(ii) representatives, to be appointed by the State forester or equivalent State official, representative of—
