§ 5913. Management development and training

Within 2 years after November 13, 1998, the Secretary shall develop a clear plan for management training and development, whereby career, professional National Park Service employees from any appropriate academic field may obtain sufficient training, experience, and advancement opportunity to enable those qualified to move into park management positions, including explicitly the position of superintendent of a unit of the National Park System.

(Pub. L. 105-391, title I, §103, Nov. 13, 1998, 112 Stat. 3498.)

§ 5914. Park budgets and accountability

(a) Strategic and performance plans for each unit

Each unit of the National Park System shall prepare and make available to the public a 5-year strategic plan and an annual performance plan. Such plans shall reflect the National Park Service policies, goals, and outcomes represented in the Service-wide Strategic Plan, prepared pursuant to the provisions of the Government Performance and Results Act of 1993 (Public Law 103-62; 107 Stat. 285).

(b) Annual budget for each unit

As a part of the annual performance plan for a unit of the National Park System prepared pursuant to subsection (a) of this section, following receipt of the appropriation for the unit from the Operations of the National Park System account (but no later than January 1 of each year), the superintendent of the unit shall develop and make available to the public the budget for the current fiscal year for that unit. The budget shall include, at a minimum, funding allocations for resource preservation (including resource management), visitor services (including maintenance, interpretation, law enforcement, and search and rescue) and administration. The budget shall also include allocations into each of the above categories of all funds retained from fees collected for that year, including (but not limited to) special use permits, concession franchise fees, and recreation use and entrance fees.

SUBCHAPTER II—NATIONAL PARK SYSTEM RESOURCE INVENTORY AND MANAGEMENT

§ 5931. Purposes

The purposes of this subchapter are—

(1) to more effectively achieve the mission of the National Park Service;

(2) to enhance management and protection of national park resources by providing clear authority and direction for the conduct of scientific study in the National Park System and to use the information gathered for management purposes;

(3) to ensure appropriate documentation of resource conditions in the National Park System;

(4) to encourage others to use the National Park System for study to the benefit of park management as well as broader scientific value, where such study is consistent with sections 1, 2, 3, and 4 of this title; and

(5) to encourage the publication and dissemination of information derived from studies in the National Park System.

(Pub. L. 105-391, title II, §201, Nov. 13, 1998, 112 Stat. 3499.)

§ 5932. Research mandate

The Secretary is authorized and directed to assure that management of units of the National Park System is enhanced by the availability and utilization of a broad program of the highest quality science and information.

(Pub. L. 105-391, title II, §202, Nov. 13, 1998, 112 Stat. 3499.)

§ 5933. Cooperative agreements

(a) Cooperative study units

The Secretary is authorized and directed to enter into cooperative agreements with colleges and universities, including but not limited to land grant schools, in partnership with other Federal and State agencies, to establish cooperative study units to conduct multi-disciplinary research and develop integrated information products on the resources of the National Park System, or the larger region of which parks are a part.

(b) Report

Within one year of November 13, 1998, the Secretary shall report to the Committee on Energy and Natural Resources of the United States Senate and the Committee on Resources of the House of Representatives on progress in the establishment of a comprehensive network of such college and university based cooperative study units as will provide full geographic and topical coverage for research on the resources contained in units of the National Park System and their larger regions.
