

hazardous fuel reduction projects and projects conducted pursuant to section 6554 of this title.

(B) Diverse stakeholders

The Secretary shall include diverse stakeholders (including interested citizens and Indian tribes) in the process required under subparagraph (A).

(C) Funding

Funds to carry out this paragraph may be derived from operations funds for projects described in subparagraph (A).

(6) Collection of monitoring data

The Secretary may collect monitoring data by entering into cooperative agreements or contracts with, or providing grants to, small or micro-businesses, cooperatives, nonprofit organizations, Youth Conservation Corps work crews, or related State, local, and other non-Federal conservation corps.

(7) Tracking

For each administrative unit, the Secretary shall track acres burned, by the degree of severity, by large wildfires (as defined by the Secretary).

(8) Monitoring and maintenance of treated areas

The Secretary shall, to the maximum extent practicable, develop a process for monitoring the need for maintenance of treated areas, over time, in order to preserve the forest health benefits achieved.

(Pub. L. 108–148, title I, §102, Dec. 3, 2003, 117 Stat. 1892.)

§ 6513. Prioritization

(a) In general

In accordance with the Implementation Plan, the Secretary shall develop an annual program of work for Federal land that gives priority to authorized hazardous fuel reduction projects that provide for the protection of at-risk communities or watersheds or that implement community wildfire protection plans.

(b) Collaboration

(1) In general

The Secretary shall consider recommendations under subsection (a) that are made by at-risk communities that have developed community wildfire protection plans.

(2) Exemption

The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the planning process and recommendations concerning community wildfire protection plans.

(c) Administration

(1) In general

Federal agency involvement in developing a community wildfire protection plan, or a recommendation made in a community wildfire protection plan, shall not be considered a Federal agency action under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(2) Compliance

In implementing authorized hazardous fuel reduction projects on Federal land, the Secretary shall, in accordance with section 6514 of this title, comply with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(d) Funding allocation

(1) Federal land

(A) In general

Subject to subparagraph (B), the Secretary shall use not less than 50 percent of the funds allocated for authorized hazardous fuel reduction projects in the wildland-urban interface.

(B) Applicability and allocation

The funding allocation in subparagraph (A) shall apply at the national level. The Secretary may allocate the proportion of funds differently than is required under subparagraph (A) within individual management units as appropriate, in particular to conduct authorized hazardous fuel reduction projects on land described in section 6512(a)(4) of this title.

(C) Wildland-urban interface

In the case of an authorized hazardous fuel reduction project for which a decision notice is issued during the 1-year period beginning on December 3, 2003, the Secretary shall use existing definitions of the term “wildland-urban interface” rather than the definition of that term provided under section 6511 of this title.

(2) Non-Federal land

(A) In general

In providing financial assistance under any provision of law for hazardous fuel reduction projects on non-Federal land, the Secretary shall consider recommendations made by at-risk communities that have developed community wildfire protection plans.

(B) Priority

In allocating funding under this paragraph, the Secretary should, to the maximum extent practicable, give priority to communities that have adopted a community wildfire protection plan or have taken proactive measures to encourage willing property owners to reduce fire risk on private property.

§ 6514. Environmental analysis

(a) Authorized hazardous fuel reduction projects

Except as otherwise provided in this subchapter, the Secretary shall conduct authorized hazardous fuel reduction projects in accordance with—

- (1) the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.]; and
- (2) other applicable laws.

(b) Environmental assessment or environmental impact statement

The Secretary shall prepare an environmental assessment or an environmental impact statement pursuant to section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)) for each authorized hazardous fuel reduction project.

(c) Consideration of alternatives

(1) In general

Except as provided in subsection (d), in the environmental assessment or environmental impact statement prepared under subsection (b), the Secretary shall study, develop, and describe—

- (A) the proposed agency action;
- (B) the alternative of no action; and
- (C) an additional action alternative, if the additional alternative—

(i) is proposed during scoping or the collaborative process under subsection (f); and

(ii) meets the purpose and need of the project, in accordance with regulations promulgated by the Council on Environmental Quality.

(2) Multiple additional alternatives

If more than 1 additional alternative is proposed under paragraph (1)(C), the Secretary shall—

- (A) select which additional alternative to consider, which is a choice that is in the sole discretion of the Secretary; and
- (B) provide a written record describing the reasons for the selection.

(d) Alternative analysis process for projects in wildland-urban interface

(1) Proposed agency action and 1 action alternative

For an authorized hazardous fuel reduction project that is proposed to be conducted in the wildland-urban interface, the Secretary is not required to study, develop, or describe more than the proposed agency action and 1 action alternative in the environmental assessment or environmental impact statement prepared pursuant to section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)).

(2) Proposed agency action

Notwithstanding paragraph (1), but subject to paragraph (3), if an authorized hazardous fuel reduction project proposed to be conducted in the wildland-urban interface is located no further than 1½ miles from the boundary of an at-risk community, the Secretary is not required to study, develop, or de-

scribe any alternative to the proposed agency action in the environmental assessment or environmental impact statement prepared pursuant to section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)).

(3) Proposed agency action and community wildfire protection plan alternative

In the case of an authorized hazardous fuel reduction project described in paragraph (2), if the at-risk community has adopted a community wildfire protection plan and the proposed agency action does not implement the recommendations in the plan regarding the general location and basic method of treatments, the Secretary shall evaluate the recommendations in the plan as an alternative to the proposed agency action in the environmental assessment or environmental impact statement prepared pursuant to section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)).

(e) Public notice and meeting

(1) Public notice

The Secretary shall provide notice of each authorized hazardous fuel reduction project in accordance with applicable regulations and administrative guidelines.

(2) Public meeting

During the preparation stage of each authorized hazardous fuel reduction project, the Secretary shall—

(A) conduct a public meeting at an appropriate location proximate to the administrative unit of the Federal land on which the authorized hazardous fuel reduction project will be conducted; and

(B) provide advance notice of the location, date, and time of the meeting.

(f) Public collaboration

In order to encourage meaningful public participation during preparation of authorized hazardous fuel reduction projects, the Secretary shall facilitate collaboration among State and local governments and Indian tribes, and participation of interested persons, during the preparation of each authorized fuel reduction project in a manner consistent with the Implementation Plan.

(g) Environmental analysis and public comment

In accordance with section 102(2) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)) and the applicable regulations and administrative guidelines, the Secretary shall provide an opportunity for public comment during the preparation of any environmental assessment or environmental impact statement for an authorized hazardous fuel reduction project.

(h) Decision document

The Secretary shall sign a decision document for authorized hazardous fuel reduction projects and provide notice of the final agency actions.
