

by established a Justice Prisoner and Alien Transportation System Fund for the payment of necessary expenses related to the scheduling and transportation of United States prisoners and illegal and criminal aliens in the custody of the United States Marshals Service, as authorized in 18 U.S.C. 4013, including, without limitation, salaries and expenses, operations, and the acquisition, lease, and maintenance of aircraft and support facilities: *Provided*, That the Fund shall be reimbursed or credited with advance payments from amounts available to the Department of Justice, other Federal agencies, and other sources at rates that will recover the expenses of Fund operations, including, without limitation, accrual of annual leave and depreciation of plant and equipment of the Fund: *Provided further*, That proceeds from the disposal of Fund aircraft shall be credited to the Fund: *Provided further*, That amounts in the Fund shall be available without fiscal year limitation, and may be used for operating equipment lease agreements that do not exceed 5 years.”

**§ 4014. Testing for human immunodeficiency virus**

(a) The Attorney General shall cause each individual convicted of a Federal offense who is sentenced to incarceration for a period of 6 months or more to be tested for the presence of the human immunodeficiency virus, as appropriate, after the commencement of that incarceration, if such individual is determined to be at risk for infection with such virus in accordance with the guidelines issued by the Bureau of Prisons relating to infectious disease management.

(b) If the Attorney General has a well-founded reason to believe that a person sentenced to a term of imprisonment for a Federal offense, or ordered detained before trial under section 3142(e), may have intentionally or unintentionally transmitted the human immunodeficiency virus to any officer or employee of the United States, or to any person lawfully present in a correctional facility who is not incarcerated there, the Attorney General shall—

(1) cause the person who may have transmitted the virus to be tested promptly for the presence of such virus and communicate the test results to the person tested; and

(2) consistent with the guidelines issued by the Bureau of Prisons relating to infectious disease management, inform any person (in, as appropriate, confidential consultation with the person’s physician) who may have been exposed to such virus, of the potential risk involved and, if warranted by the circumstances, that prophylactic or other treatment should be considered.

(c) If the results of a test under subsection (a) or (b) indicate the presence of the human immunodeficiency virus, the Attorney General shall provide appropriate access for counselling, health care, and support services to the affected officer, employee, or other person, and to the person tested.

(d) The results of a test under this section are inadmissible against the person tested in any Federal or State civil or criminal case or proceeding.

(e) Not later than 1 year after the date of the enactment of this section, the Attorney General shall issue rules to implement this section. Such rules shall require that the results of any test

are communicated only to the person tested, and, if the results of the test indicate the presence of the virus, to correctional facility personnel consistent with guidelines issued by the Bureau of Prisons. Such rules shall also provide for procedures designed to protect the privacy of a person requesting that the test be performed and the privacy of the person tested.
