AMENDMENTS

1986—Pub. L. 99-570 inserted “, or to comply with international obligations” before period at end.

§ 1623. Bonds and other security**(a) Requirement of bond by regulation**

In any case in which bond or other security is not specifically required by law, the Secretary of the Treasury may by regulation or specific instruction require, or authorize customs officers to require, such bonds or other security as he, or they, may deem necessary for the protection of the revenue or to assure compliance with any provision of law, regulation, or instruction which the Secretary of the Treasury or the Customs Service may be authorized to enforce.

(b) Conditions and form of bond

Whenever a bond is required or authorized by a law, regulation, or instruction which the Sec-

retary of the Treasury or the Customs Service is authorized to enforce, the Secretary of the Treasury may—

(1) Except as otherwise specifically provided by law, prescribe the conditions and form of such bond and the manner in which the bond may be filed with or, pursuant to an authorized electronic data interchange system, transmitted to the Customs Service, and fix the amount of penalty thereof, whether for the payment of liquidated damages or of a penal sum: *Provided*, That when a consolidated bond authorized by paragraph 4 of this subsection is taken, the Secretary of the Treasury may fix the penalty of such bond without regard to any other provision of law, regulation, or instruction.

(2) Provide for the approval of the sureties on such bond, without regard to any general provision of law.

(3) Authorize the execution of a term bond the conditions of which shall extend to and cover similar cases of importations over such period of time, not to exceed one year, or such longer period as he may fix when in his opinion special circumstances existing in a particular instance require such longer period.

(4) Authorize, to the extent that he may deem necessary, the taking of a consolidated bond (single entry or term), in lieu of separate bonds to assure compliance with two or more provisions of law, regulations, or instructions which the Secretary of the Treasury or the Customs Service is authorized to enforce. A consolidated bond taken pursuant to the authority contained in this subsection shall have the same force and effect in respect of every provision of law, regulation, or instruction for the purposes for which it is required as though separate bonds had been taken to assure compliance with each such provision.

(c) Cancellation of bond

The Secretary of the Treasury may authorize the cancellation of any bond provided for in this section, or of any charge that may have been made against such bond, in the event of a breach of any condition of the bond, upon the payment of such lesser amount or penalty or upon such other terms and conditions as he may deem sufficient. In order to assure uniform, reasonable, and equitable decisions, the Secretary of the Treasury shall publish guidelines establishing standards for setting the terms and conditions for cancellation of bonds or charges thereunder.

(d) Validity of bond

No condition in any bond taken to assure compliance with any law, regulation, or instruction which the Secretary of the Treasury or the Customs Service is authorized to enforce shall be held invalid on the ground that such condition is not specified in the law, regulation, or instruction authorizing or requiring the taking of such bond. Any bond transmitted to the Customs Service pursuant to an authorized electronic data interchange system shall have the same force and effect and be binding upon the parties thereto as if such bond were manually executed, signed, and filed.
