(1) In general

A contribution or donation described in subsection (a) of this section shall not be converted by any person to personal use.

(2) Conversion

For the purposes of paragraph (1), a contribution or donation shall be considered to be converted to personal use if the contribution or amount is used to fulfill any commitment, obligation, or expense of a person that would exist irrespective of the candidate's election campaign or individual's duties as a holder of Federal office, including—

(c) Restrictions on use of campaign funds for flights on noncommercial aircraft

(1) In general

Notwithstanding any other provision of this Act, a candidate for election for Federal office (other than a candidate who is subject to paragraph (2)), or any authorized committee of such a candidate, may not make any expenditure for a flight on an aircraft unless—

(A) the aircraft is operated by an air carrier or commercial operator certificated by the Federal Aviation Administration and the flight is required to be conducted under air carrier safety rules, or, in the case of travel which is abroad, by an air carrier or commercial operator certificated by an appropriate foreign civil aviation authority and the flight is required to be conducted under air carrier safety rules; or

(B) the candidate, the authorized committee, or other political committee pays to the owner, lessee, or other person who provides the airplane the pro rata share of the fair market value of such flight (as determined by dividing the fair market value of the normal and usual charter fare or rental charge

for a comparable plane of comparable size by the number of candidates on the flight) within a commercially reasonable time frame after the date on which the flight is taken.

(2) House candidates

Notwithstanding any other provision of this Act, in the case of a candidate for election for the office of Representative in, or Delegate or Resident Commissioner to, the Congress, an authorized committee and a leadership PAC of the candidate may not make any expenditure for a flight on an aircraft unless—

(A) the aircraft is operated by an air carrier or commercial operator certificated by the Federal Aviation Administration and the flight is required to be conducted under air carrier safety rules, or, in the case of travel which is abroad, by an air carrier or commercial operator certificated by an appropriate foreign civil aviation authority and the flight is required to be conducted under air carrier safety rules; or

(B) the aircraft is operated by an entity of the Federal government or the government of any State.

(3) Exception for aircraft owned or leased by candidate

(A) In general

Paragraphs (1) and (2) do not apply to a flight on an aircraft owned or leased by the candidate involved or an immediate family member of the candidate (including an aircraft owned by an entity that is not a public corporation in which the candidate or an immediate family member of the candidate has an ownership interest), so long as the candidate does not use the aircraft more than the candidate's or immediate family member's proportionate share of ownership allows.

(B) Immediate family member defined

In this subparagraph (A), the term “immediate family member” means, with respect to a candidate, a father, mother, son, daughter, brother, sister, husband, wife, father-in-law, or mother-in-law.
